Dear Sir

You have written to us in regard of the Government seed relief. But you have made a mistake in the No of the land. I am located on S. E. ¼ of 2, -17-19-4. You have it on S. W. of 1. There must be some mistake about my relief I got it in 1914. and I have understood it has been settled as my banker Jas. St John, was to have settled it for me. And the principal and interest was only $135.00 at that time. And I have understood that was settled 3. yrs ago. Will send your letter back so you can see your mistake in No of land.

Respectfully Yours A. C. Little Lemond

Re S.E. 2-17-19-4.

I beg to acknowledge receipt of your letter of the 9th ultimo, having reference to the statement of the Seed Grain, Fodder and Relief indebtedness incurred by you on the security of the land above described which was recently furnished you from this office, and advising me that the land description quoted thereon is incorrect, the land on which you are now situated being the S.E.¼ 2-17-19-4, also stating that you are under the impression that this account had been settled by you banker, a Mr. St. John, and further stating that the Department's indebtedness amounts to $135.00 instead of $235.05 as shown on my statement.

In reply I beg to advise you that the necessary correction of the land description has been made in my records.

I have no record of receiving any payments in connection with your account, a detailed statement of which I give you hereunder. I have on file liens signed by you for each of the amounts shown thereon.

Mr. Hume,

Application for patent of Mr. Percy L. Meadus,
For the South West ¼ of 28-31-10 West 4th Mer.

The Agent sends this application for patent down not recommended, presumably on account of the fact that cancellation proceedings are outstanding against this man's homestead and pre-emption entries.

There is a report in this case made in August, 1911, which shows that the homesteader was endeavouring to do his duties and according to his application for patent he has performed his duties on his homestead satisfactorily.

Will you authorize abandonment of the cancellation proceedings?

Can the Department not accept the application if the Agent recommends it?

Yes

If Agent is satisfied to recommend would accept. If any doubt in Agent's mind he should get a S.I. report.

Mr. Percy L. Meadows,
For the South West ¼ of 28-31-10,
West of the 4th Meridian.

Will you be good enough to look at the form prepared in this case and you will observe the statements which have been made as to the manner in which the residence duties have been performed.

There is some slight difference during the months of June and July, 1911, between the homesteader's statements and those of the Homestead Inspector and also during the year 1910 there is a slight difference but the Inspector gives the homesteader three months residence in 1913. Altogether the Inspector gives the homesteader over twenty-four months residence and the application might easily be accepted.

Ottawa. 9th January, 1914.

MEMORANDUM. Mr. Hume.

Re. S.W.¼ of 28, 31, 10, W. 4th M.
Homestead Percy L. Meadus.
7th of July, 1909.

Mr. Meadus made application for patent for this land claiming certain residence as set out on form #58. The Agent forwarded the application for patent not recommended for consideration, in view of the fact that cancellation proceedings were still pending.

Mr. Sparkes submitted this case to you in January last, pointing out that the cancellation proceedings were pending and the fact that the Agent had not recommended. He also set forth the fact that according to report in August, 1911, the homesteader was endeavouring to do his duties and that according to the application for patent now received, he has done so.

You stated that if the Agent was satisfied to recommend the application on the evidence at hand, you would accept; but if the Agent had any doubt in his mind, he should order a Homestead Inspector's report.

The Agent apparently was not satisfied with it as he ordered a report, and the report of Inspector when received credited the applicant with residence as set out on form #58.

You will see that there was some slight difference between the statements made by the homesteader and the Homestead Inspector as regards residence in the month of June and July, 1911, and also in the year 1910.

The Inspector only gave him credit for about one months' residence in 1910, whereas in his application for patent the homesteader claimed six. The case was submitted to you in July last by Mr. Sparkes, who pointed out the difference in the statements, and you stated that as the Inspector's report showed that up to April the 8th, the homesteader was only twenty days short of the third term of six months' residence, and as the twenty days had been put in since the date of the Inspector's report, he should furnish a supplementary statement, covering residence since the date of application for patent.

This supple-

This supplementary statement has now been furnished, and the homesteader claims residence from 1st June, 1913, to August 1st, 1913; but the applicant in the supplementary statement states that from the 11th of December, 1912, to January 14th, 1913, he was visiting in Calgary and from January 14th, 1913, to April 12th, 1913, he resided on a adjoining quarter-section, namely the N.W. ¼ of 28, and from April 12th to the 14th June he was farming in the district.

You will note that the Homestead Inspector gives the applicant credit for continuous residence from July, 1911, to the 8th of April, 1913, and as the application for patent was made in December 11th, 1912, you naturally supposed that the residence as claimed in the Inspector's report had apparently been put in since the date of the application for patent, but you will see now according to the homesteader's supplementary statement that he distinctly claims different residence in 1913 than the Inspector credited him with, which would now make him short in residence by discrediting the residence in 1910.

It is not understood why the Inspector stated that the homesteader was in residence in 1913 when the homesteader now claims himself that he was not there, and if we presume that the balance of the report of the Inspector is correct, the homesteader will require to put in a further term of six months' residence; but as part of the residence given by the homesteader is discredited by the applicant's own statements, possibly he may not be correct in the rest of his statements, and the applicant may have performed the residence in 1910 as claimed.

It would appear to me before this application for patent could be accepted, it would be advisable to have a Homestead Inspector again visit this land and look into this matter carefully and furnish a report of the exact residence performed and if he finds that the residence has been properly completed, he might take a supplementary statement from the homesteader.

I beg to return you herewith application for patent of Mr. Percy L. Referring to your Declaration of the 6th ultimo, filed with the Dominion Lands Agent at Calgary, in defence of the Cancellation Proceedings pending, in connection with your pre-emption entry, for the land above described, instituted on your failure to complete the requisite duties and make application for patent, you are informed that as more than eight years have elapsed from date of entry, and as nothing that sufficient has been done in the way of settlement duties, it is expected that, within the next forty days, you will appear with your witnesses before the Agent of Dominion Lands at Calgary, or a Sub-Agent for the District, and make application for patent, or if for any reason you are unable to do so, notify the Dominion Lands Agent at Calgary, within the next thirty days, as to your intentions, in that respect, in the near future.

The fact that you may not be able to complete the payment of the purchase price at the time, will not debar the acceptance of an application for patent. Patent, however, will not issue until payment is made in full.

Re S.W.¼ 28-31-10,W.4th M.

With further reference to yours of the 9th July last relative to your indebtedness for seed grain advanced to you by this Department in 1915 in the sum of $251.10 and interest at five per cent. from the 12th April, 1915, of which your contention is that the same should not be held and registered against title to the S.W.¼ of Section 28, Township 31, Range 10, West 4th Meridian, in view of the fact that the land had been sold by you at the time that the grain was delivered and further that the Agent of Dominion Lands had agreed to alter the lien against your pre-emption, the North West quarter of Section 28, Township 31, Range 10, West 4th Meridian.

In answer I beg to state that your contention has been investigated and there is no evidence in the records of the Department that the lien in question should not be held against both quarter-sections, namely, your former homestead, the South West quarter, and your pre-emption, the North West quarter.

Kindly, therefore, make arrangements for the liquidation of the account, which should be made direct to this office or to the Agent of Dominion Lands at Calgary, and discharge of the lien in question will then be given due attention.

Re: S.W.28-31-10-W.4.

I am in receipt of yours of the 16th written on behalf of one, James McDonald of Reist in connection with a lien for $251.10 registered against title to the above described quarter as given in favour of the Department by P. L. Meadus.

In this connection I beg to state that an Abstract of Title on file in this office substantiates your contention that title had transferred from Meadus to your client previous to the registration of the lien but as the advance had been applied for before the transaction, and as Mr. Meadus has stated that some portion of the grain was to be sown on this quarter as he was renting the same in 1915, it will be necessary that Mr. McDonald forward a Statutory Declaration to the effect that Mr. Meadus held no equity in this particular land during 1915 other than that of merely renting the same.

On receipt of this document the Department will be in a position to give consideration to your request for removal of the lien.

Homestead - Percy L. Meadus.
Pat'd 5.10.14.

N.W.¼ 28-31-10 W.4th M.
Pre-emption - Percy L. Meadus.

Please see communication hereunder from the Manager of the Canadian Bank of Commerce, Youngstown, Alta., dated the 16th November last on behalf of James McDonald. As a result of previous representations made that the lienee had incurred a lien after he ceased to hold any interest in the South West quarter he was then requested to furnish Statutory Evidence in support of their client's contention.

The indebtedness consists of advances of seed grain made to Percy L. Meadus in the year 1915 in the amount of $251.10 given on the security of the above described lands. In a communication dated the 9th July, 1928, the lienee represented that at the time he applied for the seed grain he was owner of the South West quarter and about this time he sold the land, and thereafter rented the same using part of his seed thereon. The date of the sale he intimated was the first week of February, 1915.

An Abstract of Title drawn under date of the 18th August, 1928, revealed that the transfer between Percy L. Meadus and James McDonald took place on the 26th January, 1915, and he (James McDonald) became registered owner on the 6th February, 1915. Consequently when the Seed Grain Lien was registered on the 14th July, 1915, and in duplicate on the 27th December, 1916, Percy L. Meadus had no registered interest in the S.W.¼ 28-31-10 W.4th M.

The position of the lienee in respect of the S.W.¼ when he executed his application for seed grain on the 7th December, 1914, is supported by the evidence, but he apparently erred when he gave the land as part security for the advances in the lien executed on the 12th April, 1915. The lien of course may have been prepared for his signature to correspond with his application without his making any observation to the Distribution Agent that he had in the meantime sold the land to James McDonald.

There would consequently.....

There would consequently appear to be no conflicting evidence that the lienee no longer had an interest in the S.W.¼ 28-31-10 W.4th M. after a completion of the transfer other than the lien as executed by him. There is no doubt that when McDonald would have searched the title before registering his transfer and assured himself that there was no cloud against the title. Legal opinion I feel sure, would support that the lien was illegally registered on the 14th July, 1915 and that the lien should be removed.

I might mention that the N.W.¼ 28-31-10 W.4th M. offers substantial security as according to a Homestead Inspector's report of March last, there are substantial improvements thereon, valued at over $700.00 exclusive of the cultivation.

Chas Stewart

APPROVED

As Mr. Meadus was not the owner of the S.W.¼ 28-31-10-W.4th M., at the time he obtained an advance of seed grain, I do not think that this indebtedness should remain a charge against this quarter section and I would therefore recommend that such charge be removed.

So far as the North West quarter is concerned, I find that this is the unpatented pre-emption of Mr. Meadus in connection with which he has apparently made no payments. The amount due on account of the purchase price on the 1st November last being Principal $480.00; Interest $431.78 - Total $911.78.

In connection with this latter quarter section, I would suggest, ~~the institution of~~ cancellation proceedings unless Mr. Meadus promptly makes a substantial payment on account.

MEMORANDUM:

Mr. W.S. Gliddon,
Land Patents Branch.

SW¼ 28-31-10-W.4th M.

Please see communication hereunder from the Manager of the Canadian Bank of Commerce, Youngstown, Alberta, dated the 16th January last, with accompanying declaration executed by James McDonald respecting a lien for $251.10 alleged to be illegally clouding title to the above described land.

The lien in question was given by Percy Lawrence Meadus on the 12th April, 1915, and he apparently incorrectly described this land as the W½ 28-31-10-W.4th M. through the inclusion of the S.W.¼, in which he held no interest at the time he obtained the advances.

It will be noted that on memorandum dated the 18th February last the Acting Assistant Commissioner gave approval for the removal of the lien from the S.W.¼ 28-31-10-W.4th M. When you have completed action would you be good enough to return the files to this Branch in connection with Reference 5355059 which is awaiting attention.

Sir,

Re S.W. 28-31-10-W. 4th M.

I beg to inform you that the Manager, The Canadian Bank of Commerce, Youngstown, Alberta, has filed here a declaration made by James McDonald of Reist, Alberta, in regard to a lien for $251.10, alleged to be wrongfully clouding the title to the above described land, and to say the records here show that this lien was given by one Percy Lawrence Meadus covering an advance made to him in 1915, and that the land was incorrectly described therein as the N.½ 28-31-10-W. 4th M., instead of the N.W.¼ of the section, he having no registereable interest in the S.W.¼ 28-31-10-W. 4th M.

You are, therefore, hereby authorized and requested to remove from the title to the said the S.W.¼ 28-31-10-W. 4th M., the lien in question for $251.10, registered against it.

A copy of this letter is being sent to the Manager, The Canadian Bank of Commerce, Youngstown, for his information.

MEMORANDUM:

Mr. Perrin.

Re -N.W.28-31-10-W.4.
Cancelled pre-emption of
Percy L. Meadus.

The Manager of the Canadian Bank of Commerce, Youngstown, Alberta, wrote the Department with respect to the sale of the appurtenant homestead in 1915 and requested the removal of certain Seed Grain, etc. liens.

The case was submitted by Mr. Ewan on 18th February,1929. Mr. Ewan called attention to the fact that there were improvements on the pre-emption valued at over $700.00. The pre-emption entry had been the subject of cancellation proceedings for non payment since 10th March, 1925. It was decided to remove certain charges which had been registered against the appurtenant homestead and to allow the pre-emptor a final notice to the 1st May,1929. The pre-emptor was notified 2nd March,1929, that it had been decided to allow him a final chance to 1st May,1929, to forward the Agent of Dominion Lands at Calgary a substantial payment on account of the purchase price of the land.

The pre-emptor wrote the Department 4th April for further time, but his letter was overlooked.

The Agent at Calgary did not hear from the pre-emptor and cancelled the entry 6th May,1929.

The land was posted 9th May,1929 to again become available.

The former pre-emptor now writes that he has seeded 50 acres of the pre-emption and is willing to turn 1/6 of the crop to the Department as a payment on the pre-emption, if the pre-emption entry is restored.

In view of the receipt of this letter the Agent has withdrawn the posting notices.

Kindly advise whether the Agent may be instructed to re-instate Mr. P. L. Meadus in his pre-emption entry.

Land S.W. Sec 28 Tp 31. R 10. W.4. Mer
Re Seed Grain + Relief

While above indebtedness has been removed from the Title of this land I require some information which may be of value to me if I can receive it without delay

The fact that this lien was against this Title for 13 years before I was aware of it while Mr Meadus was in frequent contact with me does not seem honorable on his part + had I died during this time might have become a charge against my estate

Mr Meadus showed me the letter he wrote in answer to your first letter to me in May & June 1928 in which letter he claimed Mr Pratt (Who acted for the Dept at Youngstown) had neglected to place the Lien (as he told him) on the N.W. 1/4 of above Sec which was Meadus's pre-emption but not patented

Mr Meadus did not show me the answer to this letter I would like to have a copy of it + would also like to know how often Meadus was notified of this indebtedness during the 13 years this Lien was against S. 31. 10. W4

I beg to acknowledge receipt of your letter of the 12th ultimo, and would advise you in view of the fact that the grievance you had in respect of the lien registered against this land by P.L. Meadus was adjusted to your satisfaction when the Registrar was authorized to remove the same on the 1st May last, you would therefore no longer appear to have grounds for complaint.

Furthermore I might say that Mr. Meadus was not responsible in any way for the lien appearing against your title, which was inadvertently registered on the authority of this Department at the time the advance was made, it then being unknown that a transfer had been negotiated in your favour prior to the advance being made.

Re: Account of Percy Lawrence Meadus
W½ 28-31-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to $251.10 was advanced to Percy Lawrence Meadus on the security of the above mentioned land. A payment of $20.00 was received in 1930 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$251.10	$494.35	$745.45

Patent was issued in the name of Percy L. Meadus for the S.W.¼ 28-31-10-W.4th on the 5th of October, 1914. The N.W.¼ 28-31-10-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 6th of May, 1929. The land was re-entered upon by a Mr. Alexander Gray to whom patent was later issued and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 2nd of February, 1956, the S.W.¼ 28-31-10-W.4th now stands in the name of Her Majesty the Queen in the Right of the Province of Alberta, as represented by The Minister of Lands and Mines, clear of any encumbrance; while the N.W.¼ 28-31-10-W.4th is shown as registered in the name of a Mr. Alexander Gray of Stanmore, Alberta, also clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Dear Sir:-

In reply to your inquiry of the 28th ultimo, as regards the liens registered against the S.W.¼ 15-5-9 W.4th, it is evident that through an error or oversight, the seed grain lien in the amount of $135.15 was not recorded against this quarter section. It is, however, a correct charge against Samuel B. McKenzie and any land recorded in his name in the Land Titles Office.

Encl. The amount due under the lien for $135.15 is shown in the attached statement. Payment should be made to the Receiver General of Canada, in care of this Department, on receipt of which all liens will be discharged.

Re: Account of Sam. MacKenzie,
NE 15-5-9-W4.

Dear Sir:

During the years 1911 and 1915 while homesteading the above mentioned land, Mr. Sam. MacKenzie received seed grain and fodder as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $282.84 of which $135.15 is principal and $147.69 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

L.K. LeCapelain,
Chief, Lands Division.

Re: Account of Samuel B. MacKenzie
W½ 15-5-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1911 and 1915 seed grain and fodder amounting to $226.90 were advanced to Samuel B. MacKenzie on the security of the S.W. 15-5-9-W.4th and later the liens became attached to the N.W. 15-5-9-W.4th. In 1916, 1923 and 1945 payments of $71.05, $40.00 and $129.85, respectively, were received and applied to principal and interest. The present standing of this account is:-

Principal	Interest	Total
$135.15	$147.69	$282.84

In reply to our recent inquiry concerning the Federal indebtedness charged against the land, Mr. Samuel MacKenzie, 4227 Kingsway, Vancouver, British Columbia, wrote:-

"Re the seed grain and feed account on the W½ of Sec 15-5-9-W.4. It sure brings back the days of homesteading. We lived 50 miles for 5 yrs. before the railroad arrived within 9 miles of us. So you see the best portion of our lives was wasted.

Drought at that time was the main drawback as you no doubt no. May say I did not do very well at all financially, and of course now I am passed the allotted days. Would ask to be as lenient as possible on me."

Information received from the Secretary-Treasurer of the Rural Municipality of Burlington No. 2, Foremost, Alberta, in 1952, indicates that the assessed value of the N.W. 15-5-9-W.4th was only $880.00 and the S.W. 15-5-9-W.4th had an assessed value of $990.00.

The sum of $135.15 representing the principal has now been received in full settlement of our account. Under the circumstances and in view of the previous payments, this is considered equitable.

W. J. Taylor.

In view of the fact that the Department considered the evidence sufficient to authorize the postponing of the liens to the mortgage of the Canadian Bank of Commerce, the Crown's interest thereby in this land through its liens would seem to have been very much impaired.

The Department might, therefore, consider it desirable to remove the liens affecting this land.

In reviewing our security for the liens in question, it would be of interest to note abstracts for [illegible] 26-14-8 W 4, S. E. 24-14-8 W 4, also N. E. 24-12-8 W 4, all dated 14th ultimo, and showing the liens in question duly registered.

In the case of N. E. 12-13-9 W 4, these liens were duly entered to Patent.

Dr. Hill

Re - Adam & George Aubeau
N. [illegible] 4-13-9 W 4

Mr. Adam Aubeau made application for Seed Grain, giving as his land the N. ½ 13-13-9 W 4, S. ½ 36-12-8 W 4 and S. E. 14-12-8 W 4, obtaining Seed Grain $499.15, Fodder amounting to $250.00 and Relief amounting to $63.90 on the security of these lands, against which a payment of $259.07 has been made.

Under date of the 20th. February last, Messrs. Jeffs & Doherty, writing on behalf of the Canadian Bank of Commerce, pointed out that this property was sold by the Bank to the Aubeaus in 1917, and a mortgage taken for the full amount of the purchase price, and stating that nothing had been paid on this mortgage, either principal or interest.

They direct our attention to the fact that the Department postponed their liens to the Bank's mortgage on 17th June, 1918. The point is also made that no crop has been raised on this property since it was purchased by Aubeau, and they are desirous of ascertaining if the Department will agree, in view of the circumstances, to withdraw these liens, simply stating that the Bank will be put to the expense of foreclosure otherwise, without any benefit to the Department.

In referring to Abstract of Title dated 14th June, 1918, to the S. E. 4-13-9 W 4, which land then stood in the name of Adam and George Aubeau, it will be noted that the liens given by Adam Aubeau automatically become a charge against this land through the transaction with the Canadian Bank of Commerce. These liens, I may say, would only be a proper charge against the interest of Adam Aubeau in this land.

Turning now to the Statutory Declaration of [illegible]. Lynch, Manager of the Canadian Bank of Commerce, dealing with, dated 1st May, 1918, Adam Aubeau's interest, as stated therein, would appear to have been only nominal.

I beg to refer you to the memorandum hereunder prepared by Mr. Ewen in reference to the request of the Canadian Bank of Commerce for the removal of certain liens which were attached to the title of the above described land when same issued in the names of Adam Dubeau and George Dubeau in June, 1917, as affecting the interest of Adam Dubeau. I would also refer you to Mr. Cote's memorandum of the 21st May, 1918, setting forth particulars which were considered by the Department sufficient for the postponement of these liens. In view of the heavy payment which has already been made by the Bank for seed grain liens against this quarter in the name of W. C. Hodgen, and the fact that the Department is fully protected through the liens in question attaching to patent for the E.½.12-13-9 W4th, and being also registered against three other quarters, I would recommend that these liens be removed from the

N.W.21-13-10-W.4th.

This was the purchased homestead of Richard H. Roberts, entry to which was cancelled on the 15th December, 1924, and same has been reserved to be leased to the Province. William Jorawsky, who lived on adjacent land, removed a granary from this quarter, and on the 2nd April, 1928, paid the sum of $20.00 for the same, which amount has been transferred and applied to the credit of Mr. Roberts' Federal indebtedness. According to a report obtained in 1926 the Lienee had vacated and moved to one of the Western States, his address being unknown, and the land was lying idle.

N.W.12-13-9-W.4th.

This was the homestead of Adam Dubeau, patent to which was issued in his name on the 15th January, 1913. There is no evidence on file of the date of registration of his Liens.

N.E.12-13-9-W.4th.

This was the pre-emption of Adam Dubeau, patent to which was issued in his name on the 4th November, 1916, subject to his Liens.

W½-33-12-8-W.4th.

This was the volunteer bounty land grant of Adam Dubeau, patent to which was issued in his name on the 8th April, 1913, and a Search Letter obtained in 1922 showed his Liens registered on the 5th July and 15th September, 1915. Notice was received in January, 1928, that Adam Dubeau had made an assignment of his property for the benefit of his creditors, and in September, 1928, he applied for his discharge therefrom. In March, 1928, advice was received that this land was subject to forfeiture proceedings for nonpayment of arrears of taxes, and Search Letter covering the N.W.¼ obtained in February last showed title standing in the name of the Department of Municipal Affairs, Alta. A report obtained in 1924 described the improvements on the N.W.¼ as: house - $150.00, stable - $150.00, two granaries - $250.00, fencing - $65.00, and 160 acres breaking - $380.00; and on the S.W.¼ as: fencing - $65.00, and 50 acres breaking - $150.00; it was stated that there was about $4000.00 against the half-section, a mortgage held by the Advance-Rumely Company of Calgary and J. B. Morrow of Toronto.

S.E.24-13-8-W.4th.

The Patent to this land issued in the name of Sumner Leonard Dahl in 1913, and the Lienee (Adam Dubeau) in his application for seed grain stated that this was bought land for which payment in full had been made. There is no definite evidence on file as to the date of registration of his Liens. Notice was received in March, 1928, that this land was subject to forfeiture proceedings for nonpayment of arrears of taxes.

N.E.34-12-8-W.4th.

The Patent to this land issued in the name of James Alexander Haslam in 1913, and a Search Letter obtained in 1922 showed title standing in the name of Adam Dubeau subject to his liens.

N.½-21-13-9-W.4th.

The patent to this land issued in the name of Mrs. Frances Searles in 1914, and there is no evidence on file to indicate that either Richard H. Roberts or Adam Dubeau had any interest therein.

S.W.12-13-9-W.4th.

This was the pre-emption of C. W. Long, for which he executed Declaration of Abandonment in 1910, and same was posted for grazing.

Mr. Loree has requested a Statement in connection with the W.½-12 and the N.W.21-13-9-W.4th under his Ref. No. 2-R-67.

RE: Account of Adam Dubeau
W½ 36-12-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $797.85 were advanced to Adam Dubeau on the security of the N½ 12-13-9-W.4th, the W½ 36-12-8-W.4th and the S.E. ¼ 24-13-9-W.4th and later became a charge against the N.W. ¼ 6-13-7-W.4th. Payments of $259.87, $56.76, $23.89, $110.23 and $182.98 were received in 1915, 1929, 1930, 1947 and 1952, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 78/3465 dated the 27th of August, 1947 the S.E. ¼ 24-13-9-W.4th and the N½ 12-13-9-W.4th were released as security for the liens on the payment of $110.23. Under authority of Order-in-Council P.C. 25/4172 dated the 24th of September, 1952, the N.W. ¼ 6-13-7-W.4th was released as security for the liens on the payment of $182.98. The balance of the indebtedness has since remained as a charge against the W½ 36-12-8-W.4th. The present standing of this account is:-

Principal	Interest	Total
$312.17	$866.75	$1,178.92

Patent was issued in the name of Adam Dubeau for the W½ 36-12-8-W.4th on the 8th of April, 1913.

According to an Abstract of Title dated the 25th of January, 1956, the W½ 36-12-8-W.4th now stands in the name of a Mr. Raymond Dubeau of Redcliff, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for the advances, it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

Account of Adam Dubeau

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dear Mr. Ball:

When you called at the Department recently, you desired to know what Mrs. Brown, the wife of the entrant, would have to do in order to secure patent for the above land.

If the estate still owns the patented homestead, the pre-emption duties can be performed upon such patented homestead. If the homestead has been disposed of the pre-emption duties are required to be shown on the pre-emption itself, that is fifty acres of cultivation and a habitable house. If done on the homestead the fifty acres of cultivation must be in addition to what was necessary to earn the homestead patent.

SENT
L. B.

Enclosed is a copy of a Handbook on page 25 of which you will find full particulars regarding pre-emption duties. There is no residence in the case of a deceased entrant, consequently, at any time when the estate can show the completion of the duties payment can be made in full and application for patent made, at which time letters probate or letters of administration, certified by the Clerk of the proper Court, should be filed in the Department.

Encl.

If Mrs. Brown wants to abandon this pre-emption in her own favour, and

W. S. Ball, Esq.,

take

take it up as a homestead, she may make application to the Department to that effect, submitting letters of administration to show that she is entitled to execute such an abandonment. The difficulty is that if she were granted this privilege she would require to do the ordinary homestead residence and cultivation duties which possibly she would not be in a position to undertake.

Yours sincerely,

Private Secretary.

Dear Sir:-

Re: Pre-emption-N.E ¼ of 36-9-1 W 4th M.

This pre-emption belongs to a widow woman, by the name of Mrs M. C. Brown. She was left a widow in 1920, with six (6) children, of which the four oldest were girls.

She has not been able to make her payments because there has been a total crop failure in her district for the past three years. She has to hire all her work done. If she could get one good crop, she would be able to put this default in good standing. I understand that cancellation is to take place on the 4th of next month. The quarter section is fenced and cross-fenced, there are 3 acres broke and I am advised it is worth at least, $5.00 per acre. It would be a serious blow to this woman, with this large family, if she were to lose this pre-emption, on account of bad crops.

I would appreciate it very much if anything can be done to give her an extension of time- past the next cancellation day. Thanking you in anticipation.

Yours truly

W S Ball

SB/M.

25th January, 1921.

Dear Mr. Ball,

I have been directed by the Minister to acknowledge your letter of the 21st instant, in which you ask that the North East quarter of Section 26, Township 9, Range 12, West of the 4th Meridian, the pre-emption of the late Chester Brown, be protected until after next harvest.

I may say in reply that cancellation proceedings were instituted against this land on the 4th December last, as the administratrix of the late entrant's estate had failed to apply for patent within eight years from date of entry. It will be necessary for Mrs. M. C. Brown to file a formal defence with our Agent, giving in detail what has been done on the land in the way of residence and improvements since date of entry. She may make use of the attached form for this purpose.

Encls. According to your communication the quarter-section is fenced and cross-fenced, and there is also thirty acres of breaking. In this connection I might say that when the late entrant applied for homestead patent in February, 1913, he represented that eighty acres had been broken on the homestead and that it had been under cultivation in each of four years. I assume that since

that

W. S. Ball, Esq.,

Lethbridge,

that time cultivation of the land has continued and it is quite possible that the duties have been performed, in which case your client would be in a position to make a successful application for patent, but patent could not issue until she had paid for the land. However, if she were to request our Agent for a Certificate of Recommendation one might issue, in which case during the period of time which the Certificate of Recommendation is in force she might mortgage or transfer her interest in the land, and if payment were made in full of the purchase price while the certificate was in good standing, together with accrued interest, Letters Patent would issue to her in her capacity as executrix or administratrix.

The matter of protesting the entry will be given due consideration when we receive a statement of defence from our Agent, and you will also be advised what action might be taken by Mrs. Brown if she wishes a Certificate of Recommendation.

Yours very truly,

Acting Deputy Minister.

Madame,

Re-N.E.¼-26-9-12-W. 4th M.
Pre-emption-Chester Brown, deceased.

I am in receipt of your letter of the 16th instant, stating that you have been unable to procure the issue of letters of administration of the estate of the late Mr. Chester Brown, because of your inability to procure bondsman.

The entry of the deceased is liable to forfeiture because of the failure of the late settler and his legal representatives to make successful application for patent within the time allowed by the Dominion Lands Act.

In this connection I am to say that the only person who can make a successful application for patent is the administrator of the estate appointed by the proper court. I would suggest that you communicate with the Attorney General of the province at Edmonton, Alberta., with a view to having a public administrator appointed to close out the estate.

Your obedient servant,

Assistant Secretary.

I have only been home a [illegible] time & have taken the first opportunity to reply to your notice.
I am very sorry that I am unable to meet those payments but I have to rent out land as I was unable to furnish the seed. I only get 1/3 of crop & this year I had the farm on shares & only received enough to pay my seeding & threshing bill & harvested about 60 acres. I must quit cooking this fall to earn enough to clothe myself & family & to purchase seed & provisions to put in the crop & live during winter.
No doubt you have looked up the records and seen where my husband died nine years ago last July & left me with 6 small children the youngest nearly 3 months old. I kept them & did 3 falls cooking on threshing outfits so as to clothe us for the severe winter weather

I am very sorry that I am

I beg to acknowledge the receipt of your communication of the 9th instant with regard to the cancellation proceedings instituted against the entry for the above described land on the 10th idem, wherein you state that you will file no defence to the proceedings in question, provided you can secure the land as a homestead in your own right.

In reply I am to inform you that if you will furnish the Department with Letters Probate of the Will of your deceased husband if a Will were left, but if he died intestate with a certified copy of Letters of Administration showing you to be the legal administratrix and with evidence that you are a widow with minor children dependent upon you for support, and that you can establish your eligibility under the recent amendment to the Dominion Lands Act with regard to securing entry in Area "A", as set forth on pages three and four of the enclosed Hand-Book under the heading of "Area "A", the question of allowing you to abandon the land with a view to securing entry in your own right would be given consideration, but in the event of entry being granted to you, you would be required to furnish receipts showing the taxes on the land paid to date and to pay down one-quarter of the Seed Grain indebtedness, assuming the balance.

On the other hand, if the entry is cancelled in default and the land posted, no assurance can be given you that you would be granted entry for the land as you would have to take your chances with any other eligible applicants, but should you be successful in securing entry, it would be necessary for you to assume the Seed Grain indebtedness.

Kindly advise the Department within thirty days from this date as to what your intentions are in this respect.

Memorandum,

Mr. Hume,

Re N.E.¼ 26-9-12 W. 4th M.
Pre. - Chester Brown (dec'd).
Entry - 19th July, 1909.

Cancellation proceedings instituted on the 10th April last for non-payment.

Patent applied for in January, 1921.

Amount owing including interest considerably over $700.00. Seed Grain indebtedness including interest to the 31st March last $468.58.

An Inspector in March last reported the crop in 1924 a failure, 35 acres broken, valueless; fencing, poor condition, worthless. Remarks,-

"Mrs. Brown does not wish to hold this land
"any longer. She said that it is impossible
"for her to make the payments, as it is all
"she can do to make a living for her children
"without making payments on land. She wants
"the privilege to move the fence off the land.

Mrs. Brown on the 9th April last wrote to the effect that she had two minor children dependent on her and she wished to take up the quarter-section as a homestead.

She was fully advised on the 30th April of the steps she could take in order to acquire the land. She now writes to the effect that she has decided not to file on account of unforseen difficulties.

I would, therefore, suggest that the entry be cancelled and the land posted on form #82G.

Madam:-

I beg to acknowledge receipt of your letter of the 11th instant in reply to my communication of the 1st instant by which I requested settlement of the Seed Grain, Fodder and Relief indebtedness $483.12 charged against the South East of Section 35 and the North East of Section 26, Township 9, Range 12, West of the 4th Meridian against the Chester Brown Estate. The information contained in your letter that owing to adverse conditions you have been unable to make settlement of the amount stated has been noted. By copy of this letter I am forwarding your communication to the Department for consideration and I would suggest that in the meantime an effort be made to make at lease a small payment. It is not the desire of the Department to, in any way, embarrass the settler, yet at the same time it is the wish of the Department that while conditions may not be as desired a payment should be made, no matter how small, indicating the intentions of the settler as well as gradually reducing the indebtedness.

Your obedient servant,

E. F. Layton,
Acting Agent.

Dear Sir,

In reply to your letter of Nov. 3rd I wish to make a few statements & leave it to you to judge if you think I am getting a fair deal as I stated before I have done all that was possible for me to do in the past.

Fourteen years ago last July

5175751

my husband passed away leaving me with a family of six small children the baby 2 months old the following year I had no crop at all & in 15 & 16 I done better but I had debts to pay & try & keep my family living I could not work the land myself & it was hard to rent to anyone around so in 18 I moved into Burdett & rented the farm to a nephew who moved on to the place & was there for three years & it took all of my share

5179731

of the crop to meet the
expenses in 21 I moved
back to the farm but
never had a decent crop
I have had to work out
ever since 17 to keep the
family and there being
no work at Rundell I
was compeled to look
elsewhere, in 24, 25 & 26
I had no crop at all I
didn't have any grain
put in at all as I couldn't
rent the place nor I couldn't
get any seed grain to put
the crop in with

5179731

Now this year the municipality threatened to take the land away from me if there was'nt some crop put in, I couldn't get a number of the neighbors offered to put in what they could which I understand was about 25 acres and as they furnished the seed I only get 1/3 of the crop. I promised the Municipality my share of the crop so that I could still hold the land. I saw in the paper where the seed &

ed debt were to be canceled
so I supposed they were &
I thought if I could keep
the municipality quiet I
might be able to get out
of debt & still hold the land
I have a rental for the
place next year & by my
living here and working
I can let my share of the
crop go on the debts I have
had rather bad luck this
year my youngest daughter
was hurt in August & I was
kept at home for some
time to look after her
how I am managing to

I finally have come to the
very statement I have
made them to tell you of
another misfortunes to the
me I was entitled to the
Widows allowance but
name of my first husband
at Brooklyn Navy Yard
statements. That record
exactly true & the fact
took my allowance away
from me, I am still
entitled to it but as long
as I can get along without
they can keep it.
This has been a rather
sad fall I surely had 23
work on a coal car

5179731

I will not get a cent out of my crop this year as the Municipality will take it all for taxes.
I have planned to have 80 acres put in next spring that is all that is broken on the farm. I had to return the Pre emption because I could'nt meet the payments I would like to keep the Homestead but I certainly can't make a payment this year I am going to try & get the crop for my share next year It doesn't seem exactly fair to me now that my family is getting where they can

5179731

help themselves & I can't buy
& clear the place that it is
going to be taken from me
3 of my daughters were married
the eldest passed away two
years ago this month I
have the 3 youngest at
home & by another year they
will be able to look out for
themselves quite a bit & that
will give me more of a
chance with the farm.
Now as I said before your
people will have to do
what you think best
I remain
Yours M. G. Brown

Sir,-

N.E. ¼ of Sec. 17 Tp. 3 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

But patent has not issued owing to the following reasons:-

Non payment of the purchase price. A certificate of recommendation was not issued in this case. The evidence submitted in the application together with that furnished by Mr. Mattson in his application for patent for his homestead, S.E.¼-17-8-8-W.4th Mer. shows sufficient settlement duties completed under the terms of the Dominion Lands Act.

The Financial Controller has undertaken to furnish the Province with all seed grain, pre-emption and purchased homestead accounts. In this information is contained immediately it can be found on the files of the Territorial Land Agents.

Re: Account of Martin K. Mattsson (Mattson)
E½ 17-3-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $347.90 were advanced to Martin K. Mattsson on the security of the above mentioned land. A payment of $105.15 was received in 1915 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$245.33	$502.24	$747.57

Patent was issued in the name of Martin Knute Mattsson for the N.E.¼ 17-3-8-W.4th on the 28th of January, 1914, while the S.E.¼ 17-3-8-W.4th was the pre-emption entry of the debtor to which quarter patent has also been issued in the name of Martin Knute Mattsson, and there is no record of the liens ever having been registered against the land.

According to an Abstract of Title dated the 2nd of February, 1956, this half-section of land now stands in the name of a Mr. Martin Knute Mattsson of Pendant D'Oreille, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

Herman H. Mattson, Esq.,
Pendant d'Oreille, Alta.

Ottawa, February 14, 1956.

Dear Sir:

Re: Account of Herman H. Mattson,
~~H.H.~~ 17-3-8-W4.

During the year 1915 while homesteading the above mentioned land, Mr. Herman H. Mattson received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $77.70 of which $25.90 is principal and $51.80 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Herman H. Mattson
W½ 17-3-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $25.90 was advanced to Herman H. Mattson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$25.90	$51.80	$77.70

Patent was issued in the name of Herman Hakan Mattson for the N.W.¼ 17-3-8-W.4th on the 20th of July, 1914, the land later becoming subject to the 1915 lien. The S.W.¼ 17-3-8-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

This quarter-section of land is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the lien. The land is situated in a drought area of the Province where the land is mostly suitable for grazing purposes only.

In reply to our questionnaire of the 25th of October, 1952, the Secretary-Treasurer of the Municipal District of Burlington No. 2, Foremost, Alberta, advised us that the N.W.¼ 17-3-8-W.4th was assessed in the name of H. H. Mattson and had an assessed value of only $570.00 while the S.W.¼ 17-3-8-W.4th was under the jurisdiction of the Department of Lands and Forests, Province of Alberta, who has it leased to a Mr. M. H. Mattson for grazing purposes only and that it was not assessed as of any value. As this land is situated outside the homestead lease area, it is not likely to be farmed.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances, it is recommended that the indebtedness be cancelled and the lien discharged.

Mr. Hill

Re - Adam Auboin & George Auboin
[illegible] 4-12-8 & 4

Mr. Adam Auboin made application for seed grain, giving as his land the W. ½ 12-12-8 & 4, W. ½ 36-12-8 & 4 and S. E. 24-12-8 & 4, obtaining seed grain $490.15, Indian amounting to $250.80 and relief amounting to $62.90 on the security of these lands, against which a payment of $209.87 has been made.

Under date of the 20th February last, Messrs. Casey & Doherty, writing on behalf of the Canadian Bank of Commerce, pointed out that this property was sold by the bank to the Auboins in 1917, and a mortgage taken for the full amount of the purchase price, and stating that nothing had been paid on this mortgage, either principal or interest.

They direct our attention to the fact that the Department postponed their liens to the Bank's mortgage on 17th June, 1918. The point is also made that no crop has been raised on this property since it was purchased by Auboin, and they are desirous of ascertaining if the Department will agree, in view of the circumstances, to withdraw these liens, simply stating that the bank will be put to the expense of foreclosure otherwise, without any benefit to the Department.

On referring to abstract of title dated 14th June, 1918, of the W. [illegible]-12-8 & 4, which land then stood in the name of Adam and George Auboin, it will be noted that the liens given by Adam Auboin automatically become a charge upon this land through the transaction with the Canadian Bank of Commerce. These liens, I may say, would only be a proper charge against the interest of Adam Auboin in this land.

Upon [illegible] the statutory declaration of [illegible] Lynch, Manager of the Canadian Bank of Commerce, declaring that, dated 1st May, 1918, Adam Auboin's interest, as stated therein, could appear to have been only nominal.

OTTAWA,

In view of the fact that the Department considered the evidence sufficient to authorize the postponing of the liens to the mortgage of the Canadian Bank of Commerce, the Crown's interest thereby in this land through its liens would seem to have been very much impaired.

The Department might, therefore, consider it desirable to remove the liens affecting this land.

In reviewing our security for the liens in question, it would be of interest to note abstracts for N. ½ 36-12-8 W 4, N. E. 24-12-8 W 4, also N. W. 34-12-8 W 4, all dated 14th. ultimo, and showing the liens in question only registered.

In the case of N. W. 12-13-9 W 4, these liens were duly mentioned to Patent.

I would also refer you to Mr. Code's memorandum of the 21st ult., 1920, setting forth particulars which were considered by the Department sufficient for the postponement of these liens. RE: Account of Adam Dubeau
W½ 36-12-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $797.85 were advanced to Adam Dubeau on the security of the N½ 12-13-9-W.4th, the W½ 36-12-8-W.4th and the S.E. ¼ 24-13-8-W.4th and later became a charge against the N.W. ¼ 6-13-7-W.4th. Payments of $259.87, $56.76, $23.88, $110.23 and $182.98 were received in 1915, 1929, 1930, 1947 and 1952, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 78/3465 dated the 27th of August, 1947 the S.E. ¼ 24-13-8-W.4th and the N½ 12-13-9-W.4th were released as security for the liens on the payment of $110.23. Under authority of Order-in-Council P.C. 25/4172 dated the 26th of September, 1952, the N.W. ¼ 6-13-7-W.4th was released as security for the liens on the payment of $182.98. The balance of the indebtedness has since remained as a charge against the W½ 36-12-8-W.4th. The present standing of this account is:-

Principal	Interest	Total
$312.17	$866.75	$1,178.92

Patent was issued in the name of Adam Dubeau for the W½ 36-12-8-W.4th on the 8th of April, 1913.

According to an Abstract of Title dated the 25th of January, 1956, the W½ 36-12-8-W.4th now stands in the name of a Mr. Raymond Dubeau of Redcliff, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for the advances, it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

MEMORANDUM:

Mr. Hill

Re - Adam & George Dubeau
N. E. 4-13-8 W 4

Mr. Adam Dubeau made application for Seed Grain, giving as his land the N. ½ 12-13-9 W 4, N. ½ 36-12-8 W 4 and S. E. 24-13-8 W 4, obtaining Seed Grain $495.15, Fodder amounting to $238.80 and Relief amounting to $63.90 on the security of these lands, against which a payment of $259.87 has been made.

Under date of the 25th February last, Messrs. Begg & McLarty, writing on behalf of the Canadian Bank of Commerce, pointed out that this property was sold by the Bank to the Dubeaus in 1917, and a mortgage taken for the full amount of the purchase price, and stating that nothing had been paid on this mortgage, either principal or interest.

They direct our attention to the fact that the Department postponed their liens to the Bank's mortgage on 17th June, 1918. The point is also made that no crop has been raised on this property since it was purchased by Dubeau, and they are desirous of ascertaining if the Department will agree, in view of the circumstances, to withdraw these liens, simply stating that the Bank will be put to the expense of foreclosure otherwise, without any benefit to the Department.

On referring to Abstract of Title dated 14th June, 1918, to the N. E. 4-13-8 W 4, which land then stood in the name of Adam and George Dubeau, it will be noted that the liens given by Adam Dubeau automatically became a charge against this land through the transaction with the Canadian Bank of Commerce. These liens, I may say, would only be a proper charge against the interest of Adam Dubeau in this land.

Turning now to the Statutory Declaration of W. F. Lynch, Manager of the Canadian Bank of Commerce, Medicine Hat, dated 1st May, 1918, Adam Dubeau's interest, as stated therein, would appear to have been only nominal.

OTTAWA,

In view of the fact that the Department considered the evidence sufficient to authorize the postponing of the liens to the mortgage of the Canadian Bank of Commerce, the Crown's interest thereby in this land through its liens would seem to have been very much impaired.

The Department might, therefore, consider it desirable to remove the liens affecting this land.

In reviewing our security for the liens in question, it would be of interest to note Abstracts for N. ½ 36-12-8 W 4, S. E. 24-13-8 W 4, also N. E. 34-12-8 W 4, all dated 14th ultimo, and showing the liens in question duly registered.

In the case of N. E. 12-13-9 W 4, these liens were duly attached to Patent.

Deputy Minister of the Interior.

I beg to refer you to the memorandum hereunder prepared by Mr. Swan in reference to the request of the Canadian Bank of Commerce for the removal of certain liens which were attached to the title of the above described land when same issued in the names of Adam Auberu and George Auberu in June, 1917, as affecting the interest of Adam Auberu. I would also refer you to Mr. Coté's memorandum of the 21st May, 1918, setting forth particulars which were considered by the Department sufficient for the postponement of these liens. In view of the heavy payment which has already been made by the Bank for seed grain liens against this quarter in the name of S. J. Hodges, and the fact that the Department is fully protected through the liens in question attaching to patent for the S.E.18-17-8 4th, and being also registered against three other quarters I would recommend that these liens be removed from the

Re N.E. 4-13-6-W. 4th M.

I beg to inform you that representations have been made to this Department by Messrs. Begg & McLarty, Barristers, Medicine Hat, respecting liens for $495.15 and $302.70, respectively, alleged to be wrongfully clouding the title to the above described land, and to say in view of the representations made and of the fact that the Department has sufficient security in other lands against which these liens are registered, it has been decided to comply with the request for their removal from the said the first above described land.

You are, therefore, hereby authorized and requested to remove from the said the N.E. 4-13-6-W. 4th M., the liens in question for $495.15 and $302.70, respectively, appearing registered against it.

A copy of this letter is being sent to Messrs. Begg & McLarty for their information.

S.E.¼-21-42-11th

This was the homestead of Stanislaus Roberto, entry to which was granted on the 16th December, 1924, and deed has been reserved to the Province. William Jaroszky, who lived on adjacent land, reserved a priority from this quarter and on the 2nd April, 1925, paid the sum of $80.00 for the same, which amount has been transferred and applied to the credit of Mr. Roberto' federal indebtedness. According to a report obtained in 1926 the house had vacated and moved to one of the Western States. His address being unknown, and the land was lying idle.

N.W.¼-21-42-11th

This was the homestead of Adam Ruben, patent to which was issued in his name on the 16th January, 1918. There is no evidence on file of the date of registration of his decease.

E.½-21-42-11th

This was the pre-emption of Adam Ruben, patent to which was issued in his name on the 4th November, 1918, subject to his lience.

S.W.¼-21-42-11th

This was the voluntary land grant of Adam Ruben, patent to which was issued in his name on the 4th April, 1919, and a search letter obtained in 1922 showed his liens registered on the 4th July and 12th September, 1918. Notice was received in January, 1926, that Adam Ruben had made an assignment of his property for the benefit of his creditors, and in September, 1926, an order was received that charge therefrom. In March, 1928, notice was received that this land was subject to forfeiture proceedings for non-payment of arrears of taxes, and search letter covering the N.E.¼ obtained in February last showed little standing in the name of the Department of Municipal Affairs. Also a report obtained in 1924 described the improvements on the S.W.¼ as house - $150.00, stable - $50.00, two granaries - $300.00, fencing - $50.00, and 160 acres breaking - $1200.00 and 30 acres breaking - $300.00, the S.E.¼ as fencing - $50.00, and 160 acres breaking - $1200.00 and the N.E.¼ as fencing - $50.00, and 80 acres breaking - $600.00, the half-section a mortgage held by the Province-Family Loan Company of Calgary and J. B. Borrow of Lethbo.

S.E.¼-21-42-11th

The patent to this land issued in the name of Spencer Leonard Dahl in 1919, and the Agency (Adam Ruben) in the application for seed grain stated that title was brought land for which payment in full had been made. There is no definite evidence on file as to the date of registration of his lience. Notice was received in March, 1926, that this land was subject to forfeiture proceedings for non-payment of arrears of taxes.

- Ref. 34-12-3-W.4th -

E.½E.½Sec.12-8-2.4th&e

The Patent to this land issued in the name of James Alexander Hanlon in 1913, and a Search later obtained in 1928 showed title standing in the name of Adam Dubeau subject to his liens.

W.½-SE.¼-12-8-2.4th&e

The patent to this land issued in the name of Mrs. Frances Beazley in 1914, and there is no evidence on file to indicate that either Richard H. Roberts or Adam Dubeau had any interest therein.

E.½W.½S-12-8-2.4th&e

This was the pre-emption of C. E. Jones for which he executed Declaration of Abandonment in 1910, and same was posted for grazing.

Mr. Lorne has requested a statement in connection with the S.½-12 and the E.½-SE.¼-12-8-2.4th under his Ref. No. 2-2-47.

Re: Adam Dubeau. Dominion Liens.

The Seed Grain and Relief Adjustment Board appointed under order P.C. 2800, dated November 22nd, 1927, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs, numbered 9865, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, upon application of the sum of one hundred and ten dollars and twenty-three cents ($110.23) to the credit of the Dominion Advances more particularly described in the attached report, made to Adam Dubeau, the liens taken as security be removed from title to the SE 24-13-8-4.

2. THAT, the balance of the account be retained against the S½ 36-12-8-4.

CHAIRMAN, Seed Grain & Relief Adjustment Board.

DOMINION MEMBER, Seed Grain & Relief Adjustment Board.

TO:

The Honourable,
The Minister of Mines & Resources,
OTTAWA, Canada.

BOARD ORDER
No. 9565

D-D-99.
Lom:19228C 3.

April 29, 1947.

Mr. [illegible]. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Adam Dubeau. Dominion liens.
SE 24-13-8-4, W½ 36-12-8-4,
NE 12-13-9-4 & NW 34-12-8-4.

The above party obtained the following Dominion Advances giving as security liens on the title to the above land.

Relief 1915	$ 20.00
Relief & Fodder 1916	87.80
Fodder 1915	7.20
Fodder 1915	102.00
Fodder 1915	8.40
Fodder 1915	77.30
Fodder 1916	495.15
Seed Grain 1915	
	$797.85
Interest to Mar. 31/47	828.56
	1626.41
Payments	340.51
	$1285.90

The debtor is now deceased and the S.E. 24-13-8-4, title to which was taken by the Province under the provisions of the Tax Recovery Act, has been sold by the Tax Recovery Branch for a sum of $200.00 which is represented to be the fair sale value of this property. This land is situated in one of the drier parts of the Province and

(continued)

is good for little else than grazing due to the very adverse climatic conditions which exist continually.

Distributing the proceeds of this sale on a usual pro-rata basis after first allowing a nominal sum of five dollars ($5.00) to cover costs results in the following distribution:

Costs	$ 5.00
Taxes	84.77
Dominion liens.....	110.23
	$200.00

The N.E. 12-13-9-4 and the N.E. 34-12-8-4 are revested lands and are now under the jurisdiction of the Department of Lands and Mines whose policy is to hold such land available for lease only from which only a nominal rental is recovered insufficient to provide for the necessary services and no recovery can be expected from this source.

The ½ 36-12-8-4 was sold to Mrs. J. Dubeau in 1928 the agreement for sale covering each quarter specifying that the land was sold subject to all claims of the Crown.

I would recommend that after application of the sum of one hundred and ten dollars and twenty-three cents ($110.23) the Dominion liens be discharged from the title to the N.E. 24-13-8-4. I would further recommend that the balance of the account be retained as a charge against the ½ 36-12-8-4 until such time as an application is received for an adjustment.

Yours very truly,

W. Van Heusen

Taxes were allowed to accrue on the N.W. 6-13-7-W.4th with the result that title was taken by the taxing authorities under the provisions of the Tax Recovery Act in 1927. Due to the location of the land no sale materialized until recent when the Department of Municipal Affairs succeeded in negotiating sale for Three hundred and twenty dollars ($320.00) cash. This would seem to be a fair valuation as the land is situated in a township which has been declared eligible for awards under

the Prairie Farm Assistance Act in 11 years out of the 12 in which awards have been granted.

Tax Arrears at the date of sale amounted to Nine hundred and thirty-seven dollars and fifty-four cents ($937.54) and I recommend that the proceeds of the sale be distributed on a pro rata basis between the tax arrears and the Dominion Claim, first allowing a nominal sum of Five dollars ($5.00) to cover costs. The allocation of the monies will be as follows:

Costs	$5.00
Taxes	132.02
Dominion	192.98
	330.00

The Federal liens still appear as a charge on the titles to the W½ 36-12-8 W.4th which are held by other members of the Rabeau family. I further recommend that the balance of the account be held as a charge against this half section pending a further application for a compromised settlement.

Yours truly,

RE: Account of Adam Dubeau
N½ 36-12-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $797.85 were advanced to Adam Dubeau on the security of the N½ 12-13-9-W.4th, the N½ 36-12-8-W.4th and the S.E. ¼ 24-13-8-W.4th and later became a charge against the N.W. ¼ 6-13-7-W.4th. Payments of $259.87, $56.76, $23.88, $110.23 and $182.98 were received in 1915, 1929, 1930, 1947 and 1952, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 78/3465 dated the 27th of August, 1947 the S.E. ¼ 24-13-8-W.4th and the N½ 12-13-9-W.4th were released as security for the liens on the payment of $110.23. Under authority of Order-in-Council P.C. 25/4172 dated the 26th of September, 1952, the N.W. ¼ 6-13-7-W.4th was released as security for the liens on the payment of $182.98. The balance of the indebtedness has since remained as a charge against the N½ 36-12-8-W.4th. The present standing of this account is:-

Principal	Interest	Total
$312.17	$866.75	$1,178.92

Patent was issued in the name of Adam Dubeau for the N½ 36-12-8-W.4th on the 8th of April, 1913.

According to an Abstract of Title dated the 25th of January, 1956, the N½ 36-12-8-W.4th now stands in the name of a Mr. Raymond Dubeau of Redcliff, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for the advances, it is recommended that the balance of the indebtedness be cancelled.

M.J. Taylor.

Mr. Hill

Re - Adam & George Dubeau
N. E. 4-13-8 W 4

Mr. Adam Dubeau made application for Seed Grain, giving as his land the N. ½ 12-13-9 W 4, S. ½ 36-12-8 W 4 and S. E. 24-13-8 W 4, obtaining Seed Grain $495.15, Fodder amounting to $238.80 and Relief amounting to $63.90 on the security of these lands, against which a payment of $259.87 has been made.

Under date of the 25th February last, Messrs. Berg & Moiarty, writing on behalf of the Canadian Bank of Commerce, pointed out that this property was sold by the Bank to the Dubeaus in 1917, and a mortgage taken for the full amount of the purchase price, and stating that nothing had been paid on this mortgage, either principal or interest.

They direct our attention to the fact that the Department postponed their liens to the Bank's mortgage on 17th June, 1918. The point is also made that no crop has been raised on this property since it was purchased by Dubeau, and they are desirous of ascertaining if the Department will agree, in view of the circumstances, to withdraw these liens, simply stating that the Bank will be put to the expense of foreclosure otherwise, without any benefit to the Department.

On referring to Abstract of Title dated 14th June, 1918, to the N. E. 4-13-8 W 4, which land then stood in the name of Adam and George Dubeau, it will be noted that the liens given by Adam Dubeau automatically became a charge against this land through the transaction with the Canadian Bank of Commerce. These liens, I may say, would only be a proper charge against the interest of Adam Dubeau in this land.

Turning now to the Statutory Declaration of W. F. Lynch, Manager of the Canadian Bank of Commerce, Medicine Hat, dated 1st May, 1918, Adam Dubeau's interest, as stated therein, would appear to have been only nominal.

In view of the fact that the Department considered the evidence sufficient to authorize the postponing of the liens to the mortgage of the Canadian Bank of Commerce, the Crown's interest thereby in this land through its liens would seem to have been very much impaired.

The Department might, therefore, consider it desirable to remove the liens affecting this land.

In reviewing our security for the liens in question, it would be of interest to note abstracts for S. ½ 36-12-8 W 4, S. E. 24-13-8 W 4, also N. E. 34-12-8 W 4, all dated 14th ultimo, and showing the liens in question duly registered.

In the case of N. E. 12-13-9 W 4, these liens were duly attached to Patent.

W.N.21-12-19-W.4ths

This was the purchased homestead of Richard H. Roberts, entry to which was cancelled on the 15th December, 1924, and same has been reserved to be leased to the Province. William Jorawsky, who lived on adjacent land, removed a primary from this quarter, and on the 2nd April, 1926, paid the sum of $20.00 for the same, which amount has been transferred and applied to the credit of Mr. Roberts' federal indebtedness. According to a report obtained in 1926 the licensee had vacated and moved to one of the Western States. His address being unknown, and the land was lying idle.

N.E.12-13-9-W.4ths

This was the homestead of Adam Dubeau, patent to which was issued in his name on the 15th January, 1915. There is no evidence on file of the date of registration of his lience.

S.E.12-13-9-W.4ths.

This was the pre-emption of Adam Dubeau, patent to which was issued in his name on the 4th November, 1913, subject to his liens.

W.½-24-13-9-W.4ths

This was the volunteer bounty land grant of Adam Dubeau, patent to which was issued in his name on the 8th April, 1913, and a search letter obtained in 1922 showed his liens registered on the 8th July and 15th September, 1915. Notice was received in January, 1926, that Adam Dubeau had made an assignment of his property for the benefit of his creditors, and in September, 1926, he applied for his discharge therefrom. In March, 1928, advice was received that this land was subject to forfeiture proceedings for non-payment of arrears of taxes, and search letter covering the N.½ obtained in February last showed title standing in the name of the Department of Municipal Affairs. Also a report obtained in 1924 described the improvements on the N.½ as: house - $150.00, stable - $120.00, two granaries - $280.00, fencing - $65.00, and 160 acres breaking - $800.00; and on the S.W.¼ as: fencing - $65.00, and 80 acres breaking - $120.00; it was stated that there was about $4000.00 worth of the half-section. A mortgage held by the Advance-Namely Company of Calgary and J. S. Morrow of Toronto.

S.E.24-13-9-W.4ths

The patent to this land issued in the name of Summer Leonard Dahl in 1913, and the licence (Adam Dubeau) in his application for seed grain stated that this was bought land for which payment in full had been made. There is no definite evidence on file as to the date of registration of his liens. Notice was received in March, 1928, that this land was subject to forfeiture proceedings for non-payment arrears of taxes.

N.E.34-12-9-W.4th.

The Patent to this land issued in the name of James Alexander Haslam in 1913, and a Search Letter obtained in 1928 showed title standing in the name of Adam Dubeau subject to his Liens.

N.½-21-13-9-W.4th.

The patent to this land issued in the name of Mrs. Frances Beasley in 1914, and there is no evidence on file to indicate that either Richard H. Roberts or Adam Dubeau had any interest therein.

This was the pre-emption of C. W. Long, for which he executed Declaration of Abandonment in 1910, and same was posted for grazing.

Dear Sir:

Re: S.E. 24-13-8 W. 4th Mer.

As requested in your letter of the 24th instant, attached please find a statement of the Dominion liens registered against the above mentioned land in the name of Adam Dubeau.

is good for little else than grazing due to the very adverse climatic conditions which exist continually.

Distributing the proceeds of this sale on a usual pro-rata basis after first allowing a nominal sum of five dollars ($5.00) to cover costs results in the following distribution:

Costs	$ 5.00
Taxes	84.77
Dominion liens.....	110.23
	$200.00

The N.E. 12-13-9-4 and the N.E. 34-12-8-4 are revested lands and are now under the jurisdiction of the Department of Lands and Mines whose policy is to hold such land available for lease only from which only a nominal rental is recovered insufficient to provide for the necessary services and no recovery can be expected from this source.

The W½ 36-12-8-4 was sold to Mrs. J. Dubeau in 1928 the agreement for sale covering each quarter specifying that the land was sold subject to all claims of the Crown.

I would recommend that after application of the sum of one hundred and ten dollars and twenty-three cents ($110.23) the Dominion liens be discharged from the title to the S.E. 24-13-8-4. I would further recommend that the balance of the account be retained as a charge against the W½ 36-12-8-4 until such time as an application is received for an adjustment.

Yours very truly,

W. T. Hamilton

Referring to Board Order No. 9865 it has been noted that in the second pargraph on the second page of our recommendation immediately following the distribution of the sale price of the S.E. 24-13-8-4 it is stated that the NE 12-13-9-4 and the N.E. 34-12-8-4 are revested lands under the jurisdiction of the Department of Lands and Mines. This should have read the N½ 12-13-9-4 and the NE 34-12-8-4 as otherwise the NW quarter 12-13-9-4 was not accounted for in our recommendation. This was a typographical error, the entire half section has been transferred to the afore mentioned Department.

Kindly make the necessary alterations in the recommendation for which I wish to thank you.

Dear Sir:

Re: Adam Dubeau.
Dominion Liens.
W½ 36-12-8-4, Pt. NW 25-12-8-4.
Supplementary to Board Order No.9865.

The above Board Order dealt with Dominion Advances obtained by the above individual and recommended that upon payment of one hundred and ten dollars and twenty-three cents ($110.23) representing a pro-rata distribution of the sale price of the S.E. 24-13-8-4 the liens be released from the title to that parcel.

As stated in the previous Board Order these liens still represent a charge against the titles to the W½ 36-12-8-4 which was sold to the widow, Mrs. Jennie Dubeau in 1928, the Agreement for Sale specifying that the land was sold subject to all claims of the Crown. This land still, therefore, represents security for the Crown liens as the purchase of same has been completed and title issued by the Tax Recovery Branch.

In the recommendation accompanying the previous Board Order it was set out that the N½ 12 & NE 34-12-8-4 were revested lands and under the jurisdiction of the Department of Lands and Mines. As it is the policy of that Department to hold such land available for lease only at a nominal rental no recovery can be boked for from this source and I would, therefore, recommend that the liens be released from the titles to these properties.

Pt. NW 25-12-8-4 containing 126.1 acres more or less was apparently subsequently acquired land of the late Adam Dubeau. Taxes were not kept up on this land with the result that title was taken by the Tax Recovery Branch and this property has been under the jurisdiction of that Branch for the last 20 years or more during

Cont.

Con[illegible]

which time very little if any income was realized therefrom.

The land just referred to in the previous paragraph is situated in an extremely poor part of the Province immediately adjoining the south Saskatchewan River and is practically valueless for any purpose due to containing mainly the type of ground and topography which is to be expected of land so situated on the prairies. A sale of this property has been effected for the sum of one hundred dollars ($100.00) which for the reason just set out the Departmental Inspector considers its fair value at this time.

Only a very small sum has resulted from the sale of this property and as the district in which it is situated requires all monies it can possibly obtain for the provision of the necessary services for the remaining residents it would seem advisable to permit this small amount to remain for the benefit of those who are still endeavouring to operate in this territory.

In view of the foregoing and the fact that this is subsequently acquired land, I would recommend that the liens be discharged from that portion of the NW 25-12-8-4 which contains 126.1 acres, the balance of the account being retained as a charge against the W½ 36-12-8-4 which was mentioned in the earlier part of this recommendation.

CHIEF COLLECTOR.

Tax Arrears at the date of sale amounted to Nine hundred and thirty-seven dollars and fifty-four cents ($937.54) and I recommend that the proceeds of the sale be distributed on a pro rata basis between the tax arrears and the Dominion Claim, first allowing a nominal sum of five dollars ($5.00) to cover costs. The Federal liens still appear as a charge on the titles to the W½ 36-12-8 W.4th which are held by other members of the Dubeau family. I further recommend that the balance of the account be held as a charge against this half section pending a further application for a compromised settlement.

RE: Account of Adam Dubeau
W½ 36-12-8-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $797.85 were advanced to Adam Dubeau on the security of the N½ 12-13-9-W.4th, the W½ 36-12-8-W.4th and the S.E. ¼ 24-13-8-W.4th and later became a charge against the N.W. ¼ 6-13-7-W.4th. Payments of $259.87, $56.76, $23.88, $110.23 and $182.98 were received in 1915, 1929, 1930, 1947 and 1952, respectively, and applied to the principal and interest. Under authority of Order-in-Council P.C. No. 78/3465 dated the 27th of August, 1947 the S.E. ¼ 24-13-8-W.4th and the N½ 12-13-9-W.4th were released as security for the liens on the payment of $110.23. Under authority of Order-in-Council P.C. 25/4172 dated the 26th of September, 1952, the N.W. ¼ 6-13-7-W.4th was released as security for the liens on the payment of $182.98. The balance of the indebtedness has since remained as a charge against the W½ 36-12-8-W.4th. The present standing of this account is:-

Principal	Interest	Total
$312.17	$866.75	$1,178.92

Patent was issued in the name of Adam Dubeau for the W½ 36-12-8-W.4th on the 8th of April, 1913.

According to an Abstract of Title dated the 25th of January, 1956, the W½ 36-12-8-W.4th now stands in the name of a Mr. Raymond Dubeau of Redcliff, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for the advances, it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

Re: Christian Anderson
W.½ 24-32-11, W.4th M.

Memorandum:

Mr. Perrin.

Under the legislation authorizing the apportionment and adjustment of the seed grain, fodder and relief indebtedness, the Adjustment Board of Alberta has submitted a report dated the 17th ultimo, marked hereunder.

The indebtedness in this case consists of advances as follows:

FEDERAL

Year	Principal	Amount due 31.10.28
1912	$ 66.00	120.57

The Board represents that the S.W.¼, which was the debtor's pre-emption entry and was cancelled and secured by George H. Hall as a soldier grant entry, is situate in a very dry district, and has a very low value. It is not considered advisable that any portion of the indebtedness be retained against this land and that the liens be written off as affecting the same.

Title to the E.W.¼ is stated to be held in the name of the debtor, and it is recommended that the liens be retained as a charge against this quarter-section only, and that the debtor be held liable under his personal covenant.

From a perusal of the report I am of the opinion that the conclusions are just and equitable, and presume it will be in order to have a Memorandum to Council prepared.

C.

18th June, 1929.

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL.

The undersigned has the honour to recommend that under and by virtue of the provisions of section 1, of the Act 17, George V., Chapter 51, approval be given to the report of the Committee appointed by Order-in-Council to the effect that the amount due on the Seed Grain advance as hereinafter set forth be no longer retained as a charge against the South West Quarter of Section 24, Township 32, Range 11, West of the 4th Meridian.

Re: Account of Christian Anderson,
N.W.¼ 24-[illegible]-11-W4.

Dear Madam:

During the year 1912 while homesteading the above mentioned land, Mr. Cristian Anderson received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $211.23 of which $66.00 is principal and $145.23 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,

Re Account of Christian Anderson (1927577)
NW¼ 24 32. 11 W4th

In your letter of 13th inst received re the above I bought this land from the heir of the late Christian Anderson and I was to receive a clear Title to the Land It is customary for the Land Titles office to refuse to issue a Title where there is any liens against it. As there was nothing said about a Seed Grain Lien I presumed every thing was paid up and paid the heir the full purchase price. As this land is in the drought area I figured all these Seed Grain liens were written off in 1937 when the Alberta Government wrote off all the money due them for Seed Grain and fodder. It will be impossible from me at this late date to recover the amount $211 23 from the heir to Anderson Estate. I feel that this sum should be substantially reduced if I have to pay it ||

Dear Madam:

RE: N.W. ¼ 24-32-11-W.4th

We wish to thank you for your letter of the 1st of January, 1956, informing us that you were of the opinion that the seed grain liens of Christian Anderson charged against the above land had been cancelled some years ago. You also state that at this late date it is impossible for you to pay the full amount of the debt.

We believe that in view of the extenuating circumstances you have mentioned that the Seed Grain Advisory Board will give favourable consideration to granting a reduction in this old debt. In order to assist you in clearing your title, if you will remit the principal amount of $66.00 within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal account. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

RE: Account of Christian Anderson
N.W. 24-32-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912 seed grain in the amount of $66.00 was advanced to Christian Anderson on the security of the above described land. No payment was ever made on this indebtedness until the sum of $66.00 was received when the standing of the account was:-

Principal	Interest	Total
$66.00	$145.23	$211.23

In reply to our recent enquiry concerning the Federal indebtedness charged against the land, Mrs. Elizabeth Suntjens, West Wingham, Alberta, on the 31st January, 1956, wrote as follows:-

"Your letter of the 13th inst. received re the above I bought this land from the heir of the late Christian Anderson and I was to receive a clear title to the Land. It is customary for the Land Titles Office to refuse to issue a title where there is any liens against it. As there was nothing said about a seed grain lien I presumed everything was paid up and paid the heir the full purchase price. As this land is in the drought area I figured all these Seed Grain Liens were written off in 1937 when the Alberta Government wrote off all the money due them for seed grain and fodder. It will be impossible for me at this late date to recover the amount $211.23 from the heir to Anderson Estate. I feel that this sum should be substantially reduced if I have to pay it."

The assessed value of this quarter section in 1951 was only $470.00.

After negotiations the sum of $66.00 representing the principal has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

W.J. Taylor.

Re: Account of O.K. Topstad,
S.E.¼ 21-49-7-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. O.K. Topstad received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $155.24 of which $57.00 is principal and $98.24 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Mr Gilchrist

In reply to your letter of Feb 9th, 1956 in regard to a seed grain loan by my Dad the late O.K. Topstad in 1915; while homesteading S.E. ¼, 21-49-7

I was shocked to hear this debt was unpaid as I thought it had been settled long ago, of course this was long before my time, but I do remember my Dad telling me about going to Gainsford Station with ox team in the early days to get some seed grain.

When he arrived at the station he found the seed Grain to be of poor quality & much wild oats and other noxious weeds, however he took the grain home.

The understanding I received from my Dad was that this debt was erased years ago so I feel that I should not be responsible for payment of this debt under these circumstance.

We have had poor crops here for many years & my Dad was sick for many years before he passed away last summer so I have had more expenses than I have been able to meet.

Hoping this letter of explanation will be clear to you I remain.

Yours truly, Conrad O. Topstad

RE: S.E. 21-49-7-W.5th

We are enclosing a copy of a letter which we received from Mr. Conrad O. Topstad concerning the seed grain account charged against the above land. A recent Abstract of Title shows that in addition to our lien for $57.00 there is also a lien registered in the name of the Municipal District of Rocky Rapids. The amount of the municipal lien is not shown.

As Mr. Topstad will wish to have a clear title, it would be appreciated if you will investigate this account and advise him as to the minimum offer acceptable to the Seed Grain Advisory Board.

I have for acknowledgment your letters of the 1st and 21st ultimo and would state that Solicitors for the Estate of the above named debtor communicated with this office early in February drawing our attention to the existence of Lien 8827 F.Y.

Examination of our records indicated that there was no account existing and a Discharge Instrument was registered at the Land Titles Office on February 15th, 1956 under Instrument Number 3340 K.Z. The only encumbrance remaining would appear to be with respect to the Dominion Advances account and I presume that upon a satisfactory settlement being made with your office, we may be advised in order that our file maintained with respect to the Dominion account may be considered closed.

Re: S.E. 21 & S.W. 22-49-7-W.5th

Since writing to you on the 21st of March, 1956, we have been informed by Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, that the Municipal Lien in the name of the Municipal District of Rocky Rapids was removed on the 15th of February of this year. The only lien now outstanding is in the name of the Crown for $57.00.

We have considered the letter from Conrad O. Topstad, the present owner, also other information on our files and we believe that there are sufficient reasons to grant a reduction in this case. In order to assist the present owner in clearing his title, if he will remit the principal amount of $57.00 within a reasonable time, it will be recommended to the Seed Grain Advisory Board that this sum be accepted in full settlement of the Federal indebtedness.

Re: Account of O. K. Topstad
S.E. 21-49-7-W.5th 4 30 22 -49 - 7 W

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain in the amount of $57.00 was advanced to O. K. Topstad on the security of the above described land. In 1918 a payment amounting to $25.00 was received and applied to principal and interest. The present standing of this account is:-

Principal	Interest	Total
$40.30	$89.94	$130.24

In reply to our inquiry concerning the Federal indebtedness charged against this land, Mr. Conrad O. Topstad, Drayton Valley, Alberta, on the 18th of February, 1956, wrote as follows:-

"In reply to your letter of Feb 9th 1956 in regard to a seed grain loan by my dad the late O. K. Topstad in 1915, while homesteading S.E.¼ 21-49-7.

I was shocked to hear this debt was unpaid as I thought it had been settled long ago, of course this was long before my time, but I do remember my dad telling me about going to Gainsford Station with ox team in the early days to get some seed grain.

We have had poor crops here for many years & my dad was sick for many years before he passed away last summer so I have had more expenses than I have been able to meet.

Hoping this letter of explanation will be clear to you."

The assessed value of this quarter-section in 1952 was $1,040.00.

After negotiations the sum of $57.00 being the principal and a partial payment on interest has been received in full settlement of our account. Under the circumstances and in view of the previous payment, this is considered equitable.

Sir:-

In reply to your letter of the 21st June, I beg to advise you that on the 17th October, 1914, Mr. Haase applied for feed oats, and on the same date Order No.9433 was issued to him for 60 bushels of feed oats at 55¢ which was supplied by the Alberta Pacific Grain Company, Youngstown, for which the Department has paid this company under cheque No.5312, January 17th, 1915. Covering this advance and provisions to the amount of $30.00, Mr. Haase gave a lien for $33.00 against the above described land, signed before D. J. Collins at Youngstown on the 22nd October, 1914.

On the 9th March, 1915, Mr. Haase again applied for feed oats and Order No.136213 for 75 bushels of feed oats at 68¢ was issued to him, which according to our records was supplied to him out of Car No.309650. This has also been paid for by the Department. Covering this advance Mr. Haase signed a lien for $51.00 before Forest E. Snell at Youngstown on the 9th March, 1915.

I have carefully examined the signature on both these liens and compared it with that on other liens on file, and am satisfied that they were signed by one and the same person.

In view of the evidence on file, both liens

Re: account of Louis Hasse
S.E.¼ 28-27-9-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Louis Hasse received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $298.44 of which $100.85 is principal and $197.59 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir: Re: Account of Louis Haase
S.E.¼ 28-27-9-W4th File 19 2538

Your letter of February 28th addressed to Louis Haase of Youngstown, Alberta in regard to a seed grain lien registered against the above land has been handed to me by his son, Edwin Haase for attention. Louis Haase died on the 4th of May, 1935 and his son, Edwin Haase has been residing on the land since that time.

He is now 73 years of age and states that he is living on his Old Age Pension. However, he is anxious to make a settlement in regard to encumbrances on the land and has instructed me to write and offer $50.00 cash in settlement of this lien.

Please let me know as to whether or not this offer will be accepted.

Yours truly,

Re: S.E. 28-27-9-W.4th

This will acknowledge your letter of the 7th of May, 1956, offering the sum of $50.00 in full settlement of the Federal account of Louis Hamge charged against the above land. In view of the information you have given us, we believe that this case is one worthy of the most sympathetic consideration by the Seed Grain Advisory Board and no doubt they will be willing to grant a reduction.

In order to assist your client in clearing his title, if he will remit the amount of the suggested offer, namely $50.00, within a reasonable time, it will be recommended to the Board that this sum be accepted in full settlement of the Federal indebtedness.

RE: Account of Louis Haase
S.E. 28-27-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain, fodder and relief amounting to $397.15 were advanced to Louis Haase on the security of the above described land. In 1916 and 1917 payments of $122.95 and $200.00 respectively, were received and applied to principal and interest. The present standing of this account is:

Principal	Interest	Total
$100.85	$197.59	$298.44

In reply to our enquiry concerning the Federal indebtedness charged against this land, Mr. D.E. Bell, Barrister, Solicitor, Etc., Chinook, Alberta, on the 7th of May, 1956, wrote:

> "Re: Account of Louis Haase, S.E. ¼ 28-27-9-W.4th.

According to information received from the Secretary-Treasurer of the R.M. of Special Areas, No. ID 300, in 1952, the assessed value of this quarter-section was only $310.00.

After negotiations the sum of $50.00 being approximately one-half the principal has been received in full settlement of our account. Under the circumstances and in view of the previous payments, this is considered equitable.

[illegible] field failed in his farming operations and the NE of 24-3-9-4th passed to the Province under the Tax Recovery Act 1933 thereby eliminating all liens other than those to the Dominion Government.

Chattel security was also taken as collateral for the relief advances but the only amount which was realized was in an amount of $ 63.30 which was applied against the relief advances.

Both parcels of land are now under the administration of the Department of Lands and Mines and, in common with other Provincial lands situated in the dry area of the southeastern portion of the Province, are leased in the main for grazing purposes at a nominal rental to the few settlers remaining in the district.

There is little likelihood of revenue from the land security ever being sufficient to permit of payment against these accounts and as the personal covenant of the lessor is valueless, I would recommend that all Dominion and Joint Relief liens be released and the balance of the amount written off; Provincial lead lien, in an amount of $ [illegible].34 has already been cancelled under the provisions of the Year 32, Statutes of Alberta Act.

Mr. Wm. Loree,
Chairman,

Edmonton, Alberta.

Dear Sir:

re: Willard D. Field
NE of 24-3-0-4th
SE of 25-3-7-4th
Provincial Seed Grain
and Joint Relief

The above named party obtained the following advances:

Joint Relief

Feb.16/22	$ 18.00	
Jan.26/22	27.65	
Mar. 13/22	18.00	
Dec. 8/1921	17.05	
Jan. 5/1922	17.10	
April 20, 1922	19.50	
April 1922	37.60	
	$ 174.90	
Interest Mar.31/38	123.36	$ 298.26

Provincial Seed Grain

April 20,1922	$ 29.69	
Interest Mar.31/38	16.46	$ 46.15

The debtor obtained these advances when he was farming the NE of 24-3-0-4th which was not his own land and there is nothing on file to show that he had authority to encumber the property but, as this has passed to the Crown in the right of the Province and as it is of little value being rolling and rough and poor pasture, it would not

.....Cont'd

Cont'd.....

appear to be necessary to examine the legality of the registrations.

The Provincial lien for seed grain was filed against the [illegible] of 20-20?-24th but this land also has passed to the Crown in the right of the Province under Tax Recovery proceedings.

The chattels given as security for the relief advances were apparently belonging to the father J. J. Field whose account was dealt with under Board Order No. 7477.

After M. J. Field quit farming, which he did very shortly after these advances were made, he went to the Lethbridge district where he worked out as a day laborer for a while but all trace of him was lost some years ago.

Both parcels above named are now under the administration of the Department of Lands and Mines and, in common with other Provincial lands situated in the semi-arid district, is leased, at a nominal rental, to one of the remaining settlers for grazing purposes only.

There is little likelihood that sufficient money will ever be derived to permit of payment on this account and I would therefore, recommend that the same be written off in its entirety and the liens released from title to the above property.

Yours very truly,

EDMONTON,

July 11th, 1929.

Re S. ½, 20-13-9-W. 4th Mer.,
John C. Roberts,

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that all Liens, Dominion, Municipal Seed Grain and Joint Relief, registered against the S. ½, 20-13-9-W. 4th Mer., for advances made to John C. Roberts, be unconditionally discharged.

The Board submits the report of the Acting Director, Debt Adjustment Act, dated May 17th, 1929, and states in support of recommendation:-

1. That the S.E. ¼, 20-13-9-W. 4th Mer., was the debtor's pre-emption, entry to which was cancelled in the year 1926, and that it is now vacant Crown land.

2. That title to the S.W. ¼, 20-13-9-W. 4th Mer., has passed to the Department of Municipal Affairs, as Administrator for the Municipal District of Sunny South No. 133, under Tax Recovery Proceedings.

3. That the debtor left the District several years ago and there is no possibility of making any collection from him under his personal covenant.

4. That the lands are situate in the Tilley East Area and have practically no value.

5. That under the arrangements made the said land will not be open for re-entry or for sale, but will be used only for grazing purposes, and any revenues derivable therefrom will be so small that there is no possibility of making any payment on account of the said liens.

5409512 The Board therefore recommends that all Liens, registered against the said lands be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: John O. Roberts - Seed Grain and Relief liens
S½ 20-13-9-W.4th
M. D. of Sunny South #123,

In the years 1918 and 1920 this man obtained assistance from the Municipal District and as at December 31st 1928, his indebtedness was as under:-

Seed Grain -	Principal	$410.92		
	Interest		$280.46	
Relief -	Principal	142.00		
	Interest		87.53	
		$552.92	$367.99	$920.91

He executed lien notes as security therefor, which were registered against the land, the SW¼ was his patented homestead and the SE¼ his unpatented preemption.

Roberts also obtained similar assistance from the Dominion Government in the years 1915-16 for which he executed lien notes, the same being registered against the said S½ 20-13-9-W.4th as under:-

Seed Grain Bond -	(Relief)	$212.99)	registered as 10781Z
	(Seed)	138.50(	
Seed Grain Lien -	(Seed)	138.50)	
	(Fodder)	175.64(	registered as 256BQ
	(Relief)	87.55)	

These are apparently duplicate registrations

A statement showing the standing of this account as at May 31st 1929, has been furnished by the Acting Commissioner of Dominion Lands, at Ottawa, as follows:-

Seed Grain -	Principal	$138.50	Interest	$97.86	- $236.36
Relief -	Principal	212.99	Interest	77.96	
Less paid on Account		96.97		1.59	
		$116.02		$76.37	- 192.39
					$428.75

The S. W. 20 was forfeited under Tax Recovery Act proceedings and title thereto now stands in the name of the Municipal District of Sunny South, subject to the Dominion Government seed and relief encumbrances. The entry for preemption of the S. E¼ was cancelled in May 1926, and being in the Tilley East Area is being reserved to be leased to the Province. A Homestead Inspector's report on this quarter section describes the land as sandy loam, with sandy subsoil, no area fit for cultivation, no improvements, soil of poor quality, and unfit for agricultural purposes or stock homestead. He also reported that Roberts had vacated the place and gone to the States.

At a later date it was reported that Roberts had returned and was working for wages in Lethbridge, but we have been unable to get confirmation of this, and our letters written and addressed to him at Lethbridge have obtained no replies.

Roberts has no interest in the land, and it is not practicable to collect from him under his personal covenant. The account is classed as "Uncollectable".

I would recommend, therefore, that the amounts due to the Dominion Government and the Municipal District, be written off in as far as the same affect this man's indebtedness to the Dominion Government and to the Municipal District, and the indebtedness of the Municipal District to the Province of Alberta.

I would further recommend that the Dominion Government liens be released and with-drawn from all lands affected thereby.

Yours truly,

Director

Enclosed herewith is a copy of a letter from the Agent of Dominion Lands at Lethbridge dated the 18th November last with regard to a charge for a soldier loan against this entrant. I may advise you that no notice has been received from your Board in this office with regard to any loan made with this entrant, but a previous communication received from the Agent at Lethbridge refers to the cancellation of loans for the sums of $2300.00, $770.00, and $240.00.

Will you please say if there is any record of a charge against this land at the present time, or if there is any reason why the land should not be posted for settlement so far as your Board is concerned.

.....

This land formerly stood as the pre-emption of H. H. Roberts, who obtained a Certificate of Recommendation but did not make any payment or account.

Cancellation proceedings were instituted in August, 1925, on a report from the Homestead Inspector made in July of that year, showing no improvements and no crop fit for cultivation.

No defence was filed and a Registration Abstract was supplied by the Agent showing no entries in the Land Titles Office record.

Cancellation was carried out in November last, but the Agent drew attention to a charge of $204.00 against this quarter, representing a portion of an advance made by the Soldier Settlement Board to H. H. Roberts. Certain other charges were released by the Board but the Agent reported that this amount was not included in the release.

On the 30th ultimo, the Soldier Settlement Board was asked whether there was any charge against this land. I am now informed that there is no such charge and therefore there is no reason why the land should not be posted on Form 136.

Yr.

...Greenway, Esq.,
Commissioner of Dominion Lands,
Ottawa.

Mr. W. L. Roberts now writes that he wants this quarter section under grazing lease. He owns the land on the east and on the west and has leased the land on the south of this quarter section, and it would seriously interfere with his operations if some one else secured the quarter section now in question (see diagram attached to his letter).

Mr. W. L. Roberts says owing to failure of crop his brother (W. H. Roberts) gave up and he (W. L. Roberts) bought out his brother, paying the Soldier Settlement Board about $45.00.00 which was in full.

W. L. Roberts has now forwarded an application to the Timber & Grazing Lands Branch for a grazing lease on this quarter. This application is not in order as the land has not yet been posted.

After the land is posted and two days have been allowed for soldiers priority, the land will become available for entry by civilians and W. L. Roberts will be able to secure an application for a grazing lease on the morning of the third day, provided he is the first applicant.

Respectfully submitted,

H

Ottawa, 15th March, 1952.

Dear Sir:

Re: S.W. 15-9-1-W.5th.

We have your letter of the 6th of March, 1952, informing us that there is a Dominion lien for $110.00 registered against the above land in the name of Jean Dejax and asking for an up-to-date statement of the amount owing. We have had an inquiry from Carswell and Butterwick, Barristers, Pincher Creek, Alberta, regarding this account and we have advised them that it was paid in full and a Discharge of Mortgage was forwarded to Mr. Dejax at Cowley, Alta. Apparently Mr. Dejax neglected to present his duplicate Certificate of title to the Registrar for amendment and we have asked the law firm to do this in order that the lien might be removed.

Yours very truly,

C.K. LeCapelain,

Sir:- RE SEED GRAIN

In reply to enquiry regarding seed grain, I have to imform you that it is hoped that settlers will be able to provide themselves with seed this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible co-operation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 150 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of this Department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the liens and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from this office, accompanied by liens. The party to whom this order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in duplicate, and send same immediately to this office. After all papers so received are found to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misrepresentation will be severely delt with.

Enclosed please find application blank.

The last Homestead Inspector's report made in connection with this quarter dated the 30th October, 1925 states that the licnee's address is unknown; no improvements of any value; cultivation gone back to weeds and grass. In the General Remarks it is stated that Mr. Thomas vacated the above land about 1917 and that same has been lying idle ever since. On referring to Search Letter covering this quarter-section bearing date the 20th June, 1927 same shows that title thereto stood in the name of the Municipal District of King #153 subject to the registration of the liens in question registered the 1st and 6th of April, 1915.

The Federal Government advanced this man Seed Grain and Relief as follows:-

This quarter section is situated in the Tilley East Area, which is being reserved for grazing purposes. Any revenue that may be derived would be so small that there would be no equity for the liens.

Thomas left the district several years ago and no trace of him is known. There is no possibility of ever collecting anything under his personal covenant.

The Municipal District have classified this account as uncollectable.

I would recommend, therefore, that both the Federal and Municipal indebtedness be written off as uncollectable, in as far as it affects this man's indebtedness, and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta represent that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected in the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

(1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers who require their land or holding the same under entry from the Dominion of Canada and in accordance with their necessities.

The respective Governments aforesaid will each bear one-half of the amount of said relief and for such purpose the Government of the Dominion of Canada will from time to time, upon the request of the Government of the Province of Alberta pay over to the latter one-half of the amount provided; it being understood, however, that no part of the amount so paid by the Government of the Dominion of Canada in connection with the distribution of relief is to be paid by the Government of the Dominion of Canada.

(2) The security of liens taken for relief advanced shall be in favour of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or liens on such unpatented lands shall be in favour of the Government of the Dominion of Canada.

(4) If relief is provided by a municipality and the Government of the province discharges a liability for the amount thereof, such relief or part thereof incurred by the Government of the Dominion of Canada will by the Province on behalf of the Government of the Dominion of Canada be repaid to the Province on behalf of the amount paid to discharge such liability and the one-half of the amount collected by the Province in respect of such relief or the security taken therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Province of Alberta in respect to other advances made under this agreement, the Government making such collection shall pay one-half of the same to the other Government.

(5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or in accordance with the principles to be hereafter mutually agreed to.

(6) The nature of relief to be distributed and the amount of money to be expended therefor, as well as the evidence of debt and

...kind of security to be given by the occupants of patented lands, ... shall be determined by the Province, provided that no lien upon land taken pursuant to this section shall take precedence over any instrument registered prior thereto. In the case of occupants of unpatented land evidences of debt and security shall be taken in favour of the Dominion in such form as may be determined by the Minister of the Interior.

(4) All securities taken for the above purposes shall carry a rate of interest of seven per centum (7%) per annum.

(5) The Minister of the Interior and the Premier of the Province of Alberta will undertake to have an Order-in-Council passed as soon as possible by their respective Governments to ratify the Agreement herewith, and the Minister of the Interior and the Premier of the Province of Alberta will undertake to have their respective Governments pass, at their next session of Parliament, the necessary legislation approving, ratifying and confirming the Order-in-Council and Agreement made for the purposes aforesaid.

5th Instalment	$4.00	due 23-8-16	with interest thereon.
6th Instalment	$4.00	due 23-8-17	with interest thereon.

Up to the 1st September, 1919, the rate of interest will be five per cent per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at seven per cent instead of five per cent.

You should take steps to pay off this indebtedness, or at least to substantially reduce the same. Any payments made should be remitted to the Agent of Dominion Lands at Lethbridge.

If, for any reason, you are unable to make the payments referred to, or any substantial portion thereof, and desire to mortgage or sell the land with a view to paying off this indebtedness, you may make application to the Agent of Dominion Lands for a Certificate of Recommendation in your favour.

You should distinctly understand, however, that in the event of this Certificate being issued, and your subsequently mortgaging or selling the land, any indebtedness to the Department will be a first charge on such transaction, and it will be necessary for you to secure sufficient cash to pay off such indebtedness in full.

Sir:

With reference to your letter of 8th ultimo with accompanying reports made by Homestead Inspector Nurcombe, it will be noted therefrom that Mr. Clark is represented as having sold this land to one Alec Taylor, and that Clark left this land some 2½ years ago.

On investigation of Title to the S. W. ¼ being made there is registered in favour of Reuben S. Clark a renewal certificate bearing date of 9th January, 1928.

It would, therefore, appear that while there have been certain transactions in connection with this land which do not appear in the Abstract - he is again repossessed in his full ownership of the land.

In view of the conflicting evidence, an early opportunity should therefore be taken to have the full facts established.

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND.

Lethbridge, Alta., 9th May 19 24

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the 20th May 19 24 the S.E. ¼ of Section 32 Township 18 Range 9 West of the 4th Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

(1) On the day above mentioned, that is on the morning of the 20th May (Entry in person or by proxy.)

(2) On the following day, that is on the morning of the 21st May (Entry in person and at office of Agent only.)

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the 22nd May (Entry in person or by proxy.)

By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge.

For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility (see other side).

By general public including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 100.00.

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of its valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land: $ 546.50 & int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amount of indebtedness.

Agent Dominion Lands.

~~Sub-Agent at~~ Postmaster at Tide Lake, Alta.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Name of Homesteader Reuben S. Clark

Land:— S.½ of Sec. 32 Tp. 18 Rg. 9 W. 4th M.

General Remarks Continued: —

Sir:

Referring to your letter of recent date.

From information gathered Mr. Clark traded the Homestead and with a promise of the Pre-emption, to a Mr. Taylor, whose address is Box 141, Dillard, Oregon, for a farm and 600 chicken, and a motor truck in Oregon. It appears that Mr. Clark is also the owner of the N½ 32-18-9, which was included in the agreement. Mr. Taylor left here in November last and is not returning to the land, as he intends to take action to cancel the agreement on the clause of "misrepresentation."

Several settlers made seizures of implements, etc. which were on Section 32.

Mr. Clark is not returning to the District, and I could not get any information as to the present address of entrant.

Homestead Inspector.

Re N.W.32-18-9 W.4th.
Reuben S. Clark.

MEMORANDUM

Mr. Ferrin.

Under the legislation authorising the apportionment and adjustment of Seed Grain, Fodder and Relief indebtedness, the Adjustment Board of Alberta has submitted its report dated the 15th ultimo, immediately hereunder.

The indebtedness in this case consists of advances as follows:-

FEDERAL.

Year.	Principal.	Amt.due 31/12/28.
1915	$546.50	$918.03

PROVINCIAL-FEDERAL.

1920	$231.00		
1921	40.00		
1922	56.75		
	$520.00	$1,438.03	

It is represented that the value of the N.W.32-18-9 W.4th is $320.00, and that the value of the S.E.32-18-9 W.4th is insignificant.

The Board recommends that upon payment of the sum of $70.86, all liens for Federal advances be released as affecting the N.W.32-18-9 W.4th, and that upon payment of the sum of $40.04, a like action be taken with respect to the Joint Relief liens; and also recommends that the S.E.32-18-9 W.4th be unconditionally released, the balance of the indebtedness to be held against the N.E.32-18-9 W.4th.

The interest of R. S. Clark in the N.E.32-18-9 W.4th, was only as Legal Representative of the late Wm. L. Clark, and as the entry to this land was cancelled on the 8th August, 1924, the indebtedness does not charge on same. It is mentioned as letters on file refer to "All 32".

There will be no loss at the present time, as the liens are being held against the N.W.32-18-9 W.4th.

From a perusal of the report I am of the opinion that the conclusions are just and equitable, and presume it will be in order to have a Memorandum to Council prepared.

Mr. G.E.B. Sinclair,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Mrs. Marian Kaldestad,
N.W. 16-16-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912 seed grain amounting to $36.00 was advanced to Mrs. Marian Kaldestad on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 36.00	$ 70.10	$ 106.10

Patent was issued in the name of Lars Kaldestad as personal representative of the late Marian Kaldestad for the N.W. 16-16-9-W.4th on the 7th of August, 1915, subject to the 1912 lien.

In 1927 the land became subject to forfeiture for nonpayment of arrears of taxes and title is now vested in the crown in the right of the Province.

The land is now being used for grazing purposes under the jurisdiction of the Department of Lands and Forests. It is not assessed as of any value and is no longer subject to taxation.

There is now no possibility of obtaining payment from the original debtor and as the land is such that it cannot be used for farming purposes and no longer offers security of any value, it is recommended that the indebtedness be cancelled and the liens discharged.

C.W. Gilchrist.

Sir,

I beg to acknowledge the receipt of your letter of the 1st instant, and in reply am to say that your request to have your proxy entry for the N.E. of Section 36, Township 26, Range 3, West of the 4th Meridian, protected until next spring cannot be entertained. The conditions upon which a proxy entry is granted are very important and the Department has no discretionary powers in the matter.

It will be necessary for you to appear before the Agent of Dominion Lands at Calgary before six months have expired from the date of your entry and satisfy him by declaration that you are already in residence upon your homestead or that you are on your way to commence residence, in which event you will be in residence before the end of the six months. If you fail to do so your entry will be summarily cancelled.

Your request on behalf of your brother Harry C. Progen to have his homestead and pre-emption entries for the East half of Section 36, Township 26, Range 3, West of the 4th Meridian, protected cannot be granted, and if your brother wishes to retain possession of the land and keep his entries from becoming liable to cancellation it will be necessary for him to comply

Re: Account of Geo. Albert Trogen,
N.E.¼ 25-26-9-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. Geo. Albert Trogen received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand is now registered in the name of George Albert Trogen. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $371.70 of which $122.25 is principal and $249.45 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Mr Gilchrist,
Ottawa, Canada,
Dear Sir -

Just received your letter regarding seed-grain relief, supposed to have been received in 1915.

When my husband passed away, with a heart attack, in July 1939, we had been without crops, for the past seven years, but I tried to settle every bill, I found among his papers I am sure there was nothing pertaining to any bill, from 1915, as I realy know nothing about it. I thought, all bills were settled and cannot understand, why this bill has never been presented before. That was 41 years ago, and I am sure there must be some mistake, as I'm sure this was settled years ago.

Please change my post-office to Morrin Alberta, as I am now residing here.

Sincerely
Mrs L. M. Trogen

Dear Sir:

Re: N.E. 25-26-9-W.4th

We are enclosing a copy of a letter received from Mrs. L. M. Trogen, Morrin, Alberta, concerning our account charged against the above land.

As a recent Abstract of Title shows that there is also a lien registered against this land in the name of the Municipal District of Collholm No. 243, for $200.00, we would like you to investigate this case and advise Mrs. Trogen as to the least amount acceptable in full settlement of both our claims.

Dear Madam:

Re: N.E. 25-26-9-W.4th

We wish to thank you for your letter of the 12th of March, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in the account of G. A. Trogen charged against the above land.

A recent Abstract of Title shows that in addition to our liens there is a lien for $200.00 registered against this land in the name of the Municipal District of Collholm No. 243.

As we are sure that you wish to have a clear title, we are taking the liberty of writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having this lien included in whatever settlement is made. We expect that you will hear from Mr. Cherkas within the next few days.

Yours very truly,

I have for attention your letter of the 21st ultimo in which you refer to a Lien registered against the Title to the above described land in favour of the former Municipal District of Collholm, number 243.

Examination of our records indicates that this Lien was registered with respect to a Straight Provincial Seed Grain account for $200.00 and same was cancelled in accordance with the provisions of Chapter 32 of the 1939 Statutes. It would appear that the encumbrance was not removed upon cancellation of the account and I am, by concurrent mail, requesting the Registrar to release same.

It would, therefore, appear that the only account outstanding is with respect to Dominion Advances and I would ask that you kindly advise this office when a satisfactory settlement is received in order that our file may be closed.

Dear Madam:-

RE: N.E. 25-26-9-W.4th

Since writing to you on the 21st of March, 1956, we have received a reply from Mr. S. Cherkas, Chief, Collector, Department of Municipal Affairs, Edmonton, concerning the provincial seed grain account. Mr. Cherkas has advised us that the lien for $200.00 which we mentioned has been registered against your land by the Municipal District of Collhola, No. 243, was actually a provincial grant and the account was cancelled in accordance with Chapter 32 of the 1939 Statutes. He has therefore asked the Registrar to remove this particular lien.

The only liens now outstanding are those for $75.00 and $47.25 in the name of the Crown. We have reviewed our file in connection with this indebtedness and we believe that there is a possibility that the Seed Grain Advisory Board will be willing to give sympathetic consideration to the cancellation of the balance of the Federal indebtedness incurred by your late husband. We are referring this matter to the Board and as soon as we have been informed of their decision you will be further advised.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of George Albert Trogen (Deceased)
N.E.¼ 25-26-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $122.25 were advanced to George Albert Trogen on the security of the above mentioned land. No payment has ever been received and the present standing ofthis account is:-

Principal	Interest	Total
$122.25	$249.45	$371.70

Patent was issued in the name of George A. Trogen for the N.E.¼ 25-26-9-W.4th on the 8th of October, 1913, the land later becoming subject to the 1915 liens.

This quarter-section is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is situated in a drought area of the Province where crops have always been poor due to burnout by drought.

In reply to our questionnaire of the 3rd of June, 1952, Mr. J. Thom, District Inspector of Local Improvement District No. 3[illegible], advised us that this quarter-section of land was assessed in the name of the G. A. Trogen Estate, and that the land only had a value of $320.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

Re N. ½ of 15-9-7-W.4th M.
Reference 19817.

I beg to acknowledge the receipt of your two letters of the 2nd instant, enclosing reports by Homestead Inspector Huntley in reference to the homestead and pre-emption entries of Mr. W. A. Herndon for the above described half-section, and in reply to say it is noted that Mr. Herndon was not in residence and that the Inspector was unable to ascertain his intentions with regard to completion of payment for improvements on the pre-emption quarter-section when he obtained entry. It is observed, however, that you are in receipt of an application for inspection of Mr. Herndon's homestead entry, which would, in the event of cancellation, also cover the pre-emption, and in view of this fact the question of payment for improvements may remain in abeyance pending the outcome of cancellation proceedings, which it is expected you will institute on or after the 1st of April next.

Under date of the 21st August last Leonard Maarion gave a Soldier lien for $39.00 on the security of the land above described. This lien did not reach the Department until the 23th November last whereas patent for this quarter section issued in the name of Leonard Van Maarion on the 2nd June, last. Search Letter covering this land shows that there are no encumbrances against this land other than the liens attached by the Department. Re: Account of Leonard Maarion,
N.E.¼ 15-9-7-W4.

Dear Sir:

During the years 1919 and 1920 while homesteading the above mentioned land, Mr. Leonard Maarion received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owners. No doubt you will be interested in settling the debt and having the title of the land cleared. The amount outstanding is $1,600.56 of which $452.20 is principal and $1,148.36 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate Seed Grain, Fodder and Relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

Dear Sir:

Re: N.E.¼ 15-9-7-W. 4th Meridian,
Leonard Van Maarion, Deceased,
Dominion & Joint Relief Advances.

The above named party obtained advances as follows for which Liens were registered against the Title:

Dominion Advances:

Seed Grain 1919	$ 159.40
Seed Grain 1920	292.80
	452.20
Interest to 29-2-56	1145.71
	$1597.91.

Joint Relief Advances:

April 20th, 1920	$ 154.87
May 19th, 1920	48.93
April 18th, 1922	39.00
	242.80
Interest to 29-2-56	605.28
	$ 848.08.

Solicitors acting on behalf of the deceased debtor submitted an offer of Six Hundred and Ninety-Five ($695.00) and remitted payment of that amount for a full compromise settlement of both accounts.

The net value of the estate is not determined due to obligations for Income Tax and Bank loans and the cash position is not too good. This parcel of land at one time had 40 acres under cultivation which has been abandoned, and the whole quarter is now used exclusively for grazing. The maximum sale value would not exceed fifteen hundred ($1500.00) dollars. It is submitted that under these circumstances the widow feels that payment of Six Hundred and Ninety-Five ($695.00) dollars which is equal to the principal amount of both

(Con't on next Page)

accounts is the largest offer she could make for withdrawal of all Liens.

Taking into account the length of time that the accounts have been outstanding without any action for repayment being undertaken coupled with the fact that the value and use of the land is limited I believe that recovery of the principal amounts of both accounts may be considered a satisfactory settlement.

I would, therefore, recommend that the present payment be applied as follows:

Dominion Advances	$452.20
Joint Relief Advances	242.80
	$695.00.

I would further recommend that after application in these amounts is made the balances remaining in both accounts be cancelled and the Liens released from the Title.

Straight Provincial Seed Grain in the principal amount of Thirty-Seven dollars and Fifty-Eight cents ($37.58) together with accrued interest has been cancelled.

Yours very truly,

Sir:

RE: N. E. ¼ 14-28-3 W. 4th M.

Mr. J. M. Heaton, Officer in Charge of the Seed Grain and Relief Branch of the Department of Municipal Affairs, advised me on the 21st ultimo that his records showed no Seed Grain Indebtedness outstanding against the above mentioned land, for which I have received an application for the issuance of patent from the homesteader, John Dickinson Armitstead.

I understand, as you are no doubt aware, that the Department of Municipal Affairs have a record of all seed grain liens held by the Department of the Interior and the Provincial Government affecting lands in the province. In a letter dated the Tenth of January, 1930, from J. W. Martin, Commissioner of Dominion Lands, to Mr. Wm. Hewlett, Secretary of the Seed Grain and Relief Adjustment Act, Edmonton, it appears that the present entrant, Mr. Armitstead, assumed the former entrant's indebtedness.

There is nothing on file to show that the incurred Seed Grain Indebtedness has been written off. In view of this fact before I prepare the necessary notification, would you kindly have a check made of your records and advise me accordingly.

This statement should be amended in so far as the N.E.¼ 14-28-3-W. 4th M. is concerned for the reason that since its compilation that land has been re-entered for by John Dickinson Armitstead, who executed the usual agreement assuming payment of the outstanding indebtedness subject to adjustment.

I beg to acknowledge the receipt of your unsigned letter of the 6th ultimo, regarding your pre-emption and your wish to secure land elsewhere, and in reply may say that in 1923 the Dominion Lands Act was amended whereby those settlers who took up homesteads in Southern Saskatchewan and Alberta in what is known as the "Dry Area" were permitted to secure another available quarter-section of Dominion Land outside the tract, provided they can secure the consent of the Provincial Authorities and comply with certain requirements of this Department. The main features of the amendment are explained on page 6 of the enclosed "Hand-Book".

If you consider you are eligible to the benefits of the amendment you should communicate with the Provincial Authorities giving them full particulars of your case and address your letter to the Minister of Agriculture at Edmonton, Alberta.

If you are successful in securing the consent of the Provincial Authorities it will be necessary for you before your application can be approved by this Department to furnish satisfactory proof that you have been divested of all interest in your patented homestead, as well as, in any other land holdings you may have inside the "Dry Area". It will also be necessary for you to relinquish to the Crown your unpatented pre-emption and a blank form which may be used for this purpose is enclosed herewith.

You will observe from the "Hand-Book" that the "Dry Area" comprises that portion South of Township 31 in the old pre-emption and purchased homestead tract.

I beg to acknowledge receipt of your letter of the 9th instant regarding your wish to secure another homestead outside the "dry area" and in reply regret to inform you that nothing can be done for you until you can furnish the Department with satisfactory evidence that you have been divested of all interest in your patented homestead and any other land holdings you may have inside the "Dry Area" and that such land stands in the name of some other person.

You cannot reconvey your patented homestead to this Government or to the Provincial Government and you will have to find some other means to dispose of it. Under the terms of the order-in-Council of the 9th May, 1923 and the 1930 amendment to the Dominion Lands Act your application to secure another homestead cannot be proceeded with by this Department until you have furnished the evidence referred to.

RE: Account of Otto Negnard
S½ 16-6-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 fodder and seed grain amounting to $104.10 were advanced to Otto Negnard on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$104.10	$199.63	$303.73

Patent was issued in the name of Otto Negnard for the S.W. ¼ 16-6-9-W.4th on the 3rd of July, 1918, subject to the liens. The S.E. ¼ 16-6-9-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 18th of July, 1928. The land was later re-entered upon and on the 17th of March, 1944, patent for the S.E. ¼ 16-6-9-W.4th issued in the name of a Mr. Olaf M. Strommoe, and there is no record of the liens having ever been registered against the land.

The S.W. ¼ 16-6-9-W.4th is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is described as hilly and rocky and unfit for cultivation. The land has since become subject to foreclosure proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Flowery Plains No. 33.

According to an Abstract of Title dated the 1st of February, 1956, the S.W. ¼ 16-6-9-W.4th still stands in the name of the Municipal District of Flower Plains No. 33, subject only to our liens; while the S.E. ¼ 16-6-9-W.4th now stands in the name of a Mr. Olaf Malfred Strommoe of Etzikom, Alberta, clear of any encumbrance.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,

S.E. ¼ 16-6-9 W. 4th M.

With further reference to your letter of the 9th March last, in connection with the cancellation proceedings pending against your pre-emption entry for the quarter-section, above mentioned, I beg to inform you that a Homestead Inspector has now reported that you have 40 acres under cultivation, which, in his opinion, is equivalent to 80 acres of ordinary prairie land, besides being the owner of 10 head of cattle and six horses.

Under the circumstances, as you appear to have completed your residence duties in a satisfactory manner, it has been decided to grant you a period of thirty days from this date within which to attend with the Agent of the Dominion Lands Office, Lethbridge, or the sub-office for the district and make application for patent.

If you are not in a position to complete payment of the purchase price due in connection with the land, you are at liberty to apply through the Agent at Lethbridge for a Certificate of Recommendation which would enable you to enter into an agreement to dispose of your interest in the land either by sale or mortgage.

Your obedient servant,

You should distinctly understand, however, that in the event of this Certificate being issued, and your subsequently mortgaging or selling the land, any indebtedness to the Department will be a first charge on such transaction, and it will be necessary for you to secure sufficient cash to pay off such indebtedness in full.

I beg to acknowledge the receipt of your unsigned letter of the 6th ultimo, regarding your pre-emption and your wish to secure land elsewhere, and in reply may say that in 1923 the Dominion Lands Act was amended whereby those settlers who took up homesteads in Southern Saskatchewan and Alberta in what is known as the "Dry Area" were permitted to secure another available quarter-section of Dominion Land outside the tract, provided they can secure the consent of the Provincial Authorities and comply with certain requirements of this Department. The main features of the amendment are explained on page 8 of the enclosed "Hand-Book".

If you consider you are eligible to the benefits of the amendment you should communicate with the Provincial Authorities giving them full particulars of your case and address your letter to the Minister of Agriculture at Edmonton, Alberta.

If you are successful in securing the consent of the Provincial Authorities it will be necessary for you before your application can be approved by this Department to furnish satisfactory proof that you have been divested of all interest in your patented homestead,as well as, in any other land holdings you may have inside the "Dry Area". It will also be necessary for you to relinquish to the Crown your unpatented pre-emption and a blank form which may be used for this purpose is enclosed herewith.

You will observe from the "Hand-Book" that the "Dry Area" comprises that portion South of Township 31 in the old pre-emption and purchased homestead tract.

Unpatented pre-emption.

I beg to acknowledge receipt of your letter of the 9th instant regarding your wish to secure another homestead outside the "Dry Area" and in reply regret to inform you that nothing can be done for you until you can furnish the Department with satisfactory evidence that you have been divested of all interest in your patented homestead and any other land holdings you may have inside the "Dry Area" and that such land stands in the name of some other person.

You cannot reconvey your patented homestead to this Government or to the Provincial Government and you will have to take some other means to dispose of it. Under the terms of the order-in-Council of the 9th May, 1923 and the 1918 amendment to the Dominion Lands Act your application to secure another homestead cannot be proceeded with by this Department until you have furnished the evidence referred to.

You would also have to voluntarily abandon your unpatented pre-emption.

Your obedient servant,

Secretary.

Mr.Perrin.

Re S.E.¼ 16-6-9 W.4th M.
[redacted] pre-emption - Otto Negaard.
Entry granted - 6th May, 1912.
Patent issued - 3rd July, 1918.
Cancellation proceedings outstanding.

Mr. Negaard completed the settlement duties and made application for pre-emption patent in June, 1921, but did not apply for a Certificate ofRecommendation.

Cancellation proceedings were commenced against the entry for non-payment, 10th December, 1925.

The Agent of Dominion Lands at Lethbridge rendered the following account, 1st October, 1927:-

Principal	$480.00.
Int. to 1st November, 1927.	329.30.
Total -	$809.30.

Inspector McCowan while on collection work reported 11th June, 1928, as follows:-

> Frame house in poor repair - value $50.00.
> Fencing, one mile, 2 wires - " 50.00.
> Cultivation - gone to weeds; no value.
> Entrant has left the locality; I would recommend that the entry be cancelled".

This pre-emption has not been cultivated since some time prior to 1924.

The pre-emptor wrote in July, 1924, for information as to how he could secure a homestead entry outside the dry area and was furnished full information on the 23rd July,1924. Nothing has been heard from Mr.Negaard since that date.

The.....

The Inspector's report would indicate that he has abandoned the pre-emption and I would suggest summary cancellation.

I would also suggest that the pre-emptor be informed of the amendment to the Dominion Lands Act which provides that a settler who secured patent for his first homestead prior to the 1st June, 1925, is entitled to a second homestead entry.

DOMINION LANDS ADMINISTRATION

S.W. 1/4

Sir,

18th July, 1928.

S.E. ¼ of Sec. 16 Tp. 6 Rge. 9 W. 4th Mer.

Some time ago you were in communication with this Department on the subject of a second homestead, and you were informed that you were at liberty, upon obtaining a Certificate of Approval from the Province, to select a vacant and available quarter-section of land, [illegible] and have such quarter-section reserved subject to fulfilment by you of certain conditions as prescribed [illegible] under the amendment to the Dominion Lands Act made in 1923.

I am now to inform you that at the last session of Parliament a further amendment was made to the Dominion Lands Act, reading as follows:

"Except as otherwise provided in this Act, every "person who has received or receives or has become or becomes "entitled to letters patent for a homestead by the performance "of homestead duties, with or without payment of purchase money, "or by the location of scrip thereon, shall be deemed to have "exhausted his homestead right and shall not be entitled to "obtain another entry for a free homestead.

"Provided, however, that any person who on the first "day of January, 1925, had obtained or had become entitled to "letters patent for a homestead as aforesaid, may be granted "the right to make entry for a second homestead, subject to the "provisions of this Act.

"The holder of a pre-emption or purchased homestead "entry shall not be permitted to abandon the same in his own "favour or in favour of a relative for the purpose of making "entry for the land as a second homestead under the provisions "of this subsection".

Under this new provision it would appear that, provided the land above described is the only land for which you have obtained homestead patent, you are now entitled to take up another homestead, and the presentation and surrender of this letter to any Agent or Assistant of Dominion Lands will be his authority for granting you, provided he is aware of no reason to the contrary, homestead entry for a vacant and available quarter-section of Dominion Lands anywhere in Manitoba, Saskatchewan, Alberta, or the Peace River Block in British Columbia, on the usual terms and subject to the provisions of the Dominion Lands Act and regulations thereunder.

If you are indebted to this Department for seed grain, fodder or relief, the land taken under authority of this letter will be subject to such indebtedness.

This replaces any previous action which may have been commenced in your case under the Dominion Lands Act amendment of 1926.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

MEMO.

To be attached to Posting Notice where there is Seed Grain, Fodder or Relief Indebtedness charged against the land

---

When applying for entry the applicant must pay the full value of any improvements on the land, but he will not at that time be required to pay any portion of the seed grain, fodder or relief indebtedness; he, however, must execute an undertaking in writing as follows:—

(1) That if the seed grain or other indebtedness of the former holder of the land, after adjustment or apportionment of the amount of such indebtedness charged against the land, still exceeds the value of the improvements, he agrees within sixty days after being notified to that effect to pay in cash to the Agent of Dominion Lands for the district one-quarter of the difference between the value of the improvements and the amount assessed by such apportionment or adjustment.

(2) That he will thereafter pay the remainder of such indebtedness in three equal annual instalments with interest at 7% per annum computed from the date of entry.

(3) That if he defaults in making payment as herein prescribed his entry shall be liable to cancellation in the discretion of the Minister.

Application for Grazing Lease:—If the applicant desires a 21-year lease with a one-year cancellation clause, it will not be necessary for him to assume the Seed Grain, Fodder or Relief Indebtedness. If he desires a lease without the one-year cancellation clause, he must execute an undertaking the same as in the case of an application for homestead entry, as above set out.

RE: Account of Otto Nagaard
S½ 16-6-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 and 1919 fodder and seed grain amounting to $104.10 were advanced to Otto Nagaard on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$104.10	$199.63	$303.73

Patent was issued in the name of Otto Nagaard for the S.W. ¼ 16-6-9-W.4th on the 3rd of July, 1918, subject to the liens. The S.E. ¼ 16-6-9-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 18th of July, 1928. The land was later re-entered upon and on the 17th of March, 1944, patent for the S.E. ¼ 16-6-9-W.4th issued in the name of a Mr. Olaf M. Stromsmoe, and there is no record of the liens having ever been registered against the land.

The S.W. ¼ 16-6-9-W.4th is not of high assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land is described as hilly and rocky and unfit for cultivation. The land has since become subject to foreclosure proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Flowery Plains No. 33.

According to an Abstract of Title dated the 1st of February, 1956, the S.W. ¼ 16-6-9-W.4th still stands in the name of the Municipal District of Flower Plains No. 33, subject only to our liens; while the S.E. ¼ 16-6-9-W.4th now stands in the name of a Mr. Olaf Malfred Stromsmoe of Etzikom, Alberta, clear of any encumbrance.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Sir,-

Referring to the statutory declaration which you have recently executed in defence of the cancellation proceedings instituted against your homestead and pre-emption entries for the North half of Section 14, Township 6, Range 9, West of the 4th Meridian, I beg to say from the information furnished it is evident your entries are clearly in default as you have held this land since the 21st of September, 1909, and, as yet, have done nothing in the way of residence, cultivation or improvements.

In view of the foregoing, the proceedings in question will be held over for a further period of thirty days from this date, within which time it will be necessary for you to satisfy the Local Agent of Dominion Lands at Medicine Hat that you are in actual residence, either on your homestead or pre-emption, with the intention of remaining there and completing the required duties.

Dear Sir,

On the 7th ultimo, I wrote you as follows:-

"The following letter has been received in this Department -

John J. wegner has sold North 25 feet of Lot 14, Block 4, in NE¼ 14-6-9-w.4th. This is a lot in the town of Etsikom. He finds that there are grain, fodder and relief claims to the value of $400.00 or more against this lot. It was put on by Bert Foster in 1915. Since then it has changed hands several times and the present owner did not know about this lien. There is no one who can possibly pay this. Is there any hope of having these cancelled."

It has been ascertained that title to the North 25 feet of Lot 14, Block 4 in NE¼ 14-6-9-W.4th, Etsikom, Plan 6842-B-1, is subject to the following liens -

Bert Foster $219.10, $27.60, $45.00, $89.20 and $92.55. These registrations were effected from liens executed by Bert Foster on the security of the W½ 21-6-9-W.4th. Dear Sir:

Re: N 25 ft. Lot 14, Block 4, Plan 6548 B.I.
Stirton. Dominion Lien. Bert Foster.

In the years 1914 and 1915 Bert Foster obtained advances from the Dominion Government in a sum of two hundred and twenty dollars and twenty-five cents ($220.25) and there is now outstanding in this connection five hundred and thirty dollars and ninety cents ($530.90).

It appears that these advances were obtained by Foster when he was farming the W½ 21-6-9-4 and that the S. W. 21-6-9-4 was patented to him in 1914, but he lost the land to the Municipal District of Flowery Plains No. 33 and title is now held by that District with the liens, of course, being registered thereon. Foster's entry to the N. W. 21-6-9-4 was cancelled in 1921 and it is questionable whether this property actually affords any security for the advance, it being situated in a very dry District and title still stands in the name of the Crown.

Apparently many years ago Foster acquired the lot referred to in the reference and the Land Titles Office in accordance with the provisions of the Act under which these advances were made charged the property with these liens. Since that time the lot has changed hands several times and it now stands in the name of John J. Wegner, who is an Old Age Pensioner. Mr. Wegner has been ordered to go to the Coast for his health and has a chance to sell the property but is unable to take advantage of the offer because of the liens and he asks that they be released.

(continued)

BOARD ORDER

(continued) —2— D-Y-31.

In support of this application Mr. Wagner states that he had at no time any knowledge of this charge being registered against the property, neither, apparently, did the previous owner who was one Robert Paul, and as the amount for which this property will sell is more or less insignificant I would recommend that the liens be released in as far as this particular lot is concerned but to be held against the W½ 31-6-9-4 pending further application for adjustment or settlement in full.

RE: Various Joint Accounts

Dear Sir:

We have received our fifty per cent share of the full payments of the Joint Provincial and Federal accounts of Robert Wesley Henderson on the S.E. of 36-6-9-W.4th; J.W. Eneis on the S.E. of 12-25-2-W.4th; F.W. Crofts, W½ of 22-10-22-W.4th and James Conway on the S.E. of 22-3-12-W.4th.

In the past it has been the practice of the Alberta Government to discharge the liens from any Joint accounts which have been paid in full. It would, therefore, be appreciated if you would remove the Joint liens from these lands at your earliest convenience.

Sir:-

I beg leave to apply for your permission To be allowed forty days from March16,1909 in which to take possesion and reside on my Homestead and Preemption which is West half Lot 30 Township 19 ,Range 10.West 4th Meridian.

My reasons for applying for this extension are:- The annual Meeting of the Corps of Guides of which I am an officer is to be held in Ottawa the last week in Feburary and it is very neccesary that I should attend and as I will be at considerable personal expense in attending this meeting I would like some t time to attend to some personal business in Western Ontario which will require a couple of weeks to wind up. This being the case it will require a month time for the trip and on my return it will take me a couple of weeks to wind up my grain business in Calgary.

I am also applying for permission to be transferred from No.I. Military District to this district and would ask your permission to attend Annual trainings and to be allowed to preform any other Military duties which may neccesitate absence from my land during time I am in residence.

I have the honor to be,

Sir

your obedient servant.

Dear Sir.

I respectfully invite your attention to the unfortunate drought conditions prevailing in this section of the dry belt of Southern Alberta.

We have resided here since March 1910, and our four attempts to grow a crop have ended in four successive failures.

In the course of time Summer-fallowing methods will obviate the annual risk of entire failure, but before we are in a position to adopt that system on a scale commensurate with our needs double the number of acres must be brought under cultivation, and that process takes a few years to accomplish.

The water problem makes mixed farming impossible - our scanty supply barely suffices

2001302

for four horses - which compells us to solely depend upon grain for the present.

Even prairie hay is not obtainable, so have unsuccessfully attempted to grow a mixed wheat & oats grain-feed substitute.

Our capital is all spent, and if we are obliged to sacrifice our horses & implements, then the only way out for us is to secure the patent for our homestead abandon the pre-emption, and [illegible].

I ask you to aid us by changing the regulations regarding pre-emptions in this dry belt - and wipe out at least the three dollars per acre fee as charged at present. The residential & improvement duties we can perform. Besides they are quite essential to our own interests. But the pre-emption fee and interest are too much for this land to bear.

It is difficult to appreciate without personal experience our helpless & isolated situation. We are absolutely cut off from all outside activities and opportunities of earning money except the produce by our own efforts from the land, and that has made no return so far. And we must stay on the land to fulfill the duties and care for our horses.

The continued drought has brought everything to a stand-still. I intended to break 60 acres this season for next years use. And unless it rains there will be no seed put in crop this

In closing, I invite your favorable consideration to my request, because I assure it is a reasonable one and based on real grounds for compromise.

I am Yours personally to Hon E. W. Nesbitt U.S. for Northern

Yours Respectfully

JMC.

Sir;-

With reference to your letter dated the 17th ultimo, addressed to the Honourable Mr. Crothers, with respect to your desire that you and certain others, living in your neighborhood, be permitted to obtain patents for your pre-emptions without being called upon to pay the statutory price of $3.00 per acre, I am directed to inform you that it would require an amendment to the Act to enable the Department to grant your request, therefore, it is regretted that your request cannot be complied with at the present time.

I may add, however, that your representations will be taken into consideration when Parliament re-assembles and the question of amendments to the present Act comes up for consideration.

In the meantime, no intimation can be given that it will be possible to waive payment. If, however, you desire an extension of time within which to make the requisite payments an application from you to this effect will have favourable consideration.

Ottawa, 9th March, 1918.

Sir,-

Re S.½ 32-32-24-W.4th M.
John A. Ross.

I beg to inform you that evidence has been filed in this Department showing that the lien for $126.30 given to His Majesty in the right of the Dominion of Canada by James O. Ross of Rainy Hills, Alta., in connection with the W.½ 30-19-10-W.4th has been wrongfully registered in the Land Titles Office against the S.½ 32-32-24-W.4th M. standing in the name of John A. Ross of Youngstown, Alta., and that the said lien should not cloud the title to the last mentioned land.

You are, therefore, hereby authorized and requested to remove the lien for $126.30 from the South half of Section 32, Township 32, Range 24, West 4th Meridian.

A copy of this letter is being sent to Mr. John A. Ross of Youngstown, c/o the Agent of Dominion Lands, Calgary, for his information.

Kindly advise me of the action you may take in this matter.

In a statutory declaration executed by the entrant on the 1st ultimo he stated that he could not find the Certificate of Recommendation and he did not remember having received it. He was advised that it would be necessary for him to furnish an Abstract of Title.

On the 29th ultimo the Agent forwarded here an Abstract of Title covering the land which showed that no encumbrance had been registered against same.

The Agent now forwards here a report from Inspector Nurcombe together with a statutory declaration from the entrant which reads as follows,-

Inspector's report.

"I interviewed Mr. Ross, who stated that he was unable to reduce his indebtedness to the Department at the present time, but hopes to be able to in the near future. I recommend extension of time be granted. Land not under cultivation."

Statutory declaration.

"I have made a careful search among the papers connected with the land; also amongst my other papers and failed to find the Certificate of Recommendation referred to in your letter of recent date. I do not remember of ever receiving it."

In view of the evidence furnished by the Inspector I would suggest that the entrant be granted an extension of time until the 1st November, 1925, within which to make payment.

Recommend extension of time, final notice, to 1st April next, to make at least a reasonable payment on account.

Dear Sir
Re Ofr. Acc 20/-3/7 Mer 4th

I travelled this quarter Section July 28th and find that it has not been touched by fire & apting 5 acres on the North West Corner, (this has touched on the best part of Section 2a some valuable timber) The balance of this quarter is covered with Poplar Cordwood averaging 6" at the stump; excepting 5 acres on the South east Corner, where a clearance has been made and Compensated during Construction of G.T.P.Ry.

I would recommend it be made available for homestead, the department Reserving the right to cut the Cordwood, excepting 20 acres, as it is of no practical use as timber.

I would call attention to the fact that the applicant Mr. Ofr. in his declaration has all turned over stated what is correct to fact & should be considered accordingly.

Ottawa, 18th August, 1911.

MEMORANDUM:- Re S.E.-25-53-9 W. 5th. Mer.

The Homestead Inspector reported on the 14th of January, 1910 that this quarter section contained 155 acres of timber, consisting of heavy poplar and scattered spruce. The land was consequently withdrawn from entry.

Geo. A. Leffler filed declaration 23rd of May last that section 25 was burnt over about 2 years ago, [illegible] timber on it, and that on the S.E. quarter there were not 25 acres of live timber. He wants to homestead it.

Mr. Timber Inspector Chandler was on this quarter section on the 28th ultimo, and found that it had not been touched by fire excepting 1 acres in the S. W. corner and 5 acres in the N.E. corner where a clearance has been made by the Railway, the balance being covered with poplar coppice, averaging six inches at the stump. Mr. Chandler recommends the quarter section be made available for entry, the Department reserving the right to cut coppice, excepting 25 acres, and he says that Mr. Leffler's statement that the section was all burnt over is not true. Do you approve of the Inspector's recommendation?

Respectfully submitted,

G. Rennie

J.B. Greenway, Esq.,
Commissioner, Dominion Lands.

On Nov. 12th, I inspected the S.E.¼ Sec. 25 - 53 - 9 - W. 5th M. as requested in your letter Oct. 6th, There was no timber of any value as saw timber on this quarter, but it is well wooded with poplar and a thin scattering of spruce. This wood is from 5 to 9 inches in diamater and would only be good for cord wood and I would therefore recommend that this be made available for homestead entry.

There are two old buildings on the N.E. Corner of this quarter which was at one time kept for a stopping place but these buildings would not be of much value as they are all going to pieces.

Homestead entry of Robert Brener

Date of entry March 8th, 1915.

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent, and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspector should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

Your obedient servant,

F. NELSON

With reference to your Letter from March 4th. I am compelled to explain, I had some bad luck with my Naturalization, as it cost me already considerable expenses, last Summer I wrote to the Dominion National Consul, as I was requested, by Registered Mail, this letter was lost, I wrote again and an answer came for on November 15th. with the request for some Documents, relating i the place of my birth, and a fee of $ 5.00 dollars. I could have done this long ago, if I had the necessary Money, I am married with a Family of four children and Wife, as I have no income from my Homstead, and there is not one stick of work to do I can not see how I get hold of a dollar, at present I can't say when I am in position, to save fife dollars.

Personally I am only to eager to get my Citizen papers on the reason that I have to stay in this Country for good, on account of my Children as they have been grown up here and educated only in English.

(turn)

4657191

If I should be unable to pay the fee of $5 dollar in the near future, I shall be glad to furnish you with necessary Documents, and you will recognize them as genuine, it will prove that I am in Bohemia, relating to the vicissitudes that Country did not lose an inch in the War, in the century it only gained in Tarritory.

Kindly consider my present position and advise me how to deal with my case.

yours very truly

Re: Account of Robert Brewer,
S.E.¼ 25-53-9-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Robert Brewer received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $91.97 of which $38.50 is principal and $53.47 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the Value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

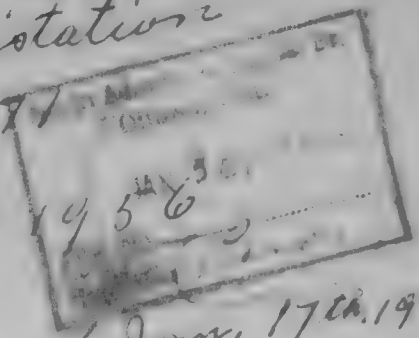

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Copy for A.D.L., Calgary, Ref.-

Sir,

Re- S.½ 6-4-5-W. 4th M.

I beg to direct your attention to your homestead and pre-emption entries for the above land and to request that within thirty days of this date you satisfy the Agent of Dominion Lands at Calgary as to your intentions with regard to performing the duties on this land and making application for patent. According to evidence on file your military service may count as the performance of residence duties and would satisfy the Department in this regard so far as your homestead is concerned.

As soon as you have thirty acres of your homestead broken and prepared for crop you would be in a position to apply for patent for this quarter-section, but in order to earn patent for your pre-emption it would be necessary for you to perform at least six months' residence on either your homestead or pre-emption and to complete the necessary cultivation duties.

As your homestead entry is over five years' old it is liable to the institution of cancellation proceedings for failure on your part to apply for patent within this time and, therefore, you are requested to advise the Agent of Dominion Lands at Calgary within the time allowed as to your intentions.

MEMORANDUM:

Request for Transfer of Dominion Land.
RE:
J. I. Hunter, #696703,
S.E.¼ 6-4-5-West 4th (Homestead)
S.W.¼ 6-4-5-West 4th (Preemption)

On the 22nd September, 1919, a loan of $2350. was approved in favour of James Isaac Hunter, a qualified soldier settler, and as security for its advances the Board imposed a charge upon the above described land, the homestead and pre-emption entries respectively of the said settler. This loan was subsequently increased to $3000.00 and of this amount $2973. was expended by the Board on the settler's behalf in the payment of pre-emption dues and the purchase of stock and equipment and permanent improvements.

After residing upon the farm until the fall of 1922 the settler abandoned the property without informing the Board regarding his intentions. It is reported that he proceeded to the United States, but all of the Board's efforts to get into communication with him have been fruitless. Under the circumstances the Board was obliged to institute adjustment proceedings in order to protect its security and in due course the settler's agreement was rescinded.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the Agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

A Vesting Order for your signature is attached hereto.

I beg to refer to your communication of the 24th May last requesting information as to whether you can prove up on the above described half-section without appearing personally at the Dominion Lands Office, and in reply I am to say that it is regretted that you were not advised in this connection sooner.

According to the evidence on file in the Department it would appear that you may possibly have completed sufficient duties on the land which taken in conjunction with your military service would entitle you to make an application for both homestead and pre-emption entries. The purchase price of your pre-emption entry will, of course, require to be completed.

If you are unable to appear personally before the Agent of Dominion Lands at Lethbridge and if you are still residing in the United States it will be necessary for you to furnish this Department with the name and address of a notary public before whom you desire to appear for the purpose of making applications for patent. He will be furnished with the necessary authority by the Department to accept your applications and same will then be forwarded to the Agent of Dominion Lands at Lethbridge together with the names of two witnesses who are in a position to corroborate your evidence and this official will place the applications in the hands of a Homestead Inspector for completion.

Kindly communicate with the Department within a period of thirty days and furnish the name of the notary public or state what your intentions are with regard to making applications for patent for this land.

Mr. Hume:

S.W.¼ 6-4-5-W.4th M.
Pre-emption - James I. Hunter.
Entry granted 26th February, 1915.

Application to have patent for this land vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo.V. (Salvage Case).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $2973.00
Purpose:- Payment of pre-emption dues and for stock, equipment and permanent improvements.

In a memorandum hereunder dated the 25th May last, the SoldierSettlement Board report that after residing on the farm until the fall of 1922, the settler abandoned the property without informing the Board as to his intentions. It was reported that he proceeded to the United States and all the Board's efforts to get into communication with him were fruitless. Under the circumstances the Board instituted adjustment proceedings and the settler's agreement was rescinded. A Vesting Order for the Minister's signature was attached with the request that the land be vested in the name of the Soldier Settlement Board.

It was pointed out to the Board that in May last the entrant wrote the Department from San Francisco to know if he could apply for patent for his homestead and pre-emption without going to the Agency and in view of this information the Board decided to make another effort to have him return. It is now stated that the District Superintendent at Calgary has received no reply to the numerous communications addressed to the settler requesting him to apply for patent in the usual manner. Under the circumstances the issue of patent in the name of the Board is requested.

It is suggested that the necessary action be taken to have patent for this land issue in

Sir,

Re- S.½ 6-4-5-W. 4th M.

I beg to direct your attention to your homestead and pre-emption entries for the above land and to request that within thirty days of this date you satisfy the Agent of Dominion Lands at Calgary as to your intentions with regard to performing the duties on this land and making application for patent. According to evidence on file your military service may count as the performance of residence duties and would satisfy the Department in this regard so far as your homestead is concerned.

As soon as you have thirty acres of your homestead broken and prepared for crop you would be in a position to apply for patent for this quarter-section, but in order to earn patent for your pre-emption it would be necessary for you to perform at least six months' residence on either your homestead or pre-emption and to complete the necessary cultivation duties.

As your homestead entry is over five years' old it is liable to the institution of cancellation proceedings for failure on your part to apply for patent within this time and, therefore, you are requested to advise the Agent of Dominion Lands at Calgary within the time allowed as to your intentions.

MINISTER'S OFFICE

MEMORANDUM:

Request for Transfer of Dominion Land.
RE:
J. I. Hunter, #696703,
S.E.¼ 6-4-5-West 4th (Homestead)
S.W.¼ 6-4-5-West 4th (Preemption)

On the 22nd September, 1919, a loan of $2350. was approved in favour of James Isaac Hunter, a qualified soldier settler, and as security for its advances the Board imposed a charge upon the above described land, the homestead and pre-emption entries respectively of the said settler. This loan was subsequently increased to $3000.00 and of this amount $2973. was expended by the Board on the settler's behalf in the payment of pre-emption dues and the purchase of stock and equipment and permanent improvements.

After residing upon the farm until the fall of 1922 the settler abandoned the property without informing the Board regarding his intentions. It is reported that he proceeded to the United States, but all of the Board's efforts to get into communication with him have been fruitless. Under the circumstances the Board was obliged to institute adjustment proceedings in order to protect its security and in due course the settler's agreement was rescinded.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the Agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

A Vesting Order for your signature is attached hereto.

Sir:

S.L. 6-4-[illegible] 4th M.

I beg to refer to your communication of the 24th May last requesting information as to whether you can prove up on the above described half-section without appearing personally at the Dominion Lands Office, and in reply I am to say that it is regretted that you were not advised in this connection sooner.

According to the evidence on file in the Department it would appear that you may possibly have completed sufficient duties on the land which taken in conjunction with your military service would entitle you to make an application for both homestead and pre-emption entries. The purchase price of your pre-emption entry will, of course, require to be completed.

If you are unable to appear personally before the Agent of Dominion Lands at Lethbridge and if you are still residing in the United States it will be necessary for you to furnish this Department with the name and address of a notary public before whom you desire to appear for the purpose of making applications for patent. He will be furnished with the necessary authority by the Department to accept your applications and same will then be forwarded to the Agent of Dominion Lands at Lethbridge together with the names of two witnesses who are in a position to corroborate your evidence and this official will place the applications in the hands of a Homestead Inspector for completion.

Kindly communicate with the Department within a period of thirty days and furnish the name of the notary public or state what your intentions are with regard to making applications for patent for this land.

Your obedient servant,

J. M. ROBERTS

OTTAWA,

MEMORANDUM.

Mr. Hume:

S.W.¼ 6-4-5-W.4th M.
Pre-emption - James I. Hunter.
Entry granted 26th February, 1915.

Application to have patent for this land vested in the Soldier Settlement Board under Section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo.V. (Salvage Case).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $2973.00
Purpose:- Payment of pre-emption dues and for stock, equipment and permanent improvements.

In a memorandum hereunder dated the 25th May last, the SoldierSettlement Board report that after residing on the farm until the fall of 1922, the settler abandoned the property without informing the Board as to his intentions. It was reported that he proceeded to the United States and all the Board's efforts to get into communication with him were fruitless. Under the circumstances the Board instituted adjustment proceedings and the settler's agreement was rescinded. A Vesting Order for the Minister's signature was attached with the request that the land be vested in the name of the Soldier Settlement Board.

It was pointed out to the Board that in May last the entrant wrote the Department from San Francisco to know if he could apply for patent for his homestead and pre-emption without going to the Agency and in view of this information the Board decided to make another effort to have him return. It is now stated that the District Superintendent at Calgary has received no reply to the numerous communications addressed to the settler requesting him to apply for patent in the usual manner. Under the circumstances the issue of patent in the name of the Board is requested.

It is suggested that the necessary action be taken to have patent for this land issue in

-the-

the name of the Board.

A separate vesting order has been forwarded in connection with this settler's homestead. the South East quarter of Section 6, Township 4, Range 5, West of the 4th Meridian, and is dealt with on the file for this latter quarter section.
